**Texas Highway Humor** Wallace O. Chariton,1991-12-30 In the beginning it was happy trails Then some dummy invented the horseless carriage and things haven't been the same since As ribbons of concrete spread over the horse trails so did the fun and frustration This book explores some of that highway fun both past and present Included are unique pictures of strange vehicles early gas stations convenience stores the evolutions of the stop light unusual roadside signs the Texas billboard hall of fame unusual accidents strange things seen when driving and much much more *Police Humor* Oliver Gaspirtz,2014-07-14 The lighter side of law enforcement comics for cops and weird news about stupid criminals This book is a tribute to all the hard working men and women in law enforcement who risk their lives every day for an often less than grateful public The cartoons capture the human side of police officers and find humor in the often very stressful situations they deal with As George Bernard Shaw said Life does not cease to be funny when someone dies anymore than it ceases to be serious when someone laughs Policing is a serious job and at some point you've got to lighten up If you're serious all the time you'll go crazy in this job Cops love humor Darlene Hutchingson Hunter editor of *The Police Marksman* The great salve for the soul humor has always been used by cops as a counterweight to the high stress demands and seriousness of the job Dennis Hall editor of *Police* magazine In the rigid and structured world of law enforcement it's refreshing to see illustrations that capture the human side of police officers while making us smile Gaspirtz cartoons are always objects of joy and entertainment around the office Cisco Mendoza art director of *Texas Highway Patrol* magazine Gaspirtz's cartoons are very humorous and down to earth They reflect the real life of police officers and what they have to face every day but in a funny stress relieving way David J Armitage editor of *The Police Shield* California Highway Patrol officers always take their duties seriously but Gaspirtz's cartoons allow them the room to take themselves a little lighter Carol Perri editor of *The California Highway Patrolman* [Annual Report - Texas Highway Department](#) Texas. talents to whichever side offered the most advantage Others used their positions as cover for their criminal activities The lawmen in this book were serious offenders against the laws they had at one time sworn to uphold Their skills were honed in range wars and family feuds and polished along the cattle trails in the saloons and banks and on the trains of the West Some of them did good work enforcing the law when that was their job Others had equally successful careers on the other side of the law More than one kicked out their lives at the end of ropes strung up by citizens who were outraged by their abuse of the trust that went along with the badge they wore These are their stories *When Darkness Falls* Docia Shultz Williams,1997-06-01 Once again well known ghost story writer Docia Williams brings us an all new book about recent ghost sightings and mysterious happenings in the Alamo City A chilling book for those wanting a guide to places where spirits are known to rendezvous or for those who just like a good ghost story **Spindletop unwound** Roger L.
