The Restraint Of Beasts:

The Restraint of Beasts Magnus Mills, 2011-05-16 A comedy which is as black as a pint of Guinness and as dry as a salted peanut Mail on Sunday

The Restraint of Beasts Magnus Mills, 2010 Tam and I took hold of Mr McCrindle and lowered him into the hole feet first We decided to leave his cap on Fencers Tam Richie and their ever exasperated English foreman are forced to move from rural Scotland to England for work After a disastrous start involving a botched fence and an accidental murder the three move to a damp caravan in Upper Bowland and soon find themselves in direct competition with the sinister Hall Brothers whose business enterprises seem to combine fencing butchering and sausage making The Restraint of Beasts introduced readers to the now much loved unique voice of Magnus Mills and his surreally comic world A demented deadpan comic wonder Thomas Pynchon The Maintenance of Headway To write one unique book is a rare achievement The ability to produce several is truly special Independent Explorers of the New Century Writers that always spring to mind when reading Magnus Mills are Kafka and Beckett Mills asserts himself as comedy's blackest funniest and most astute practitioner Daily Telegraph While the novel undoubtedly harbours darker elements its most successful mode is deadpan humour he squelches mankind's confident madness deftly and comically fuses the monotonous and the monstrous Sunday Times

The Restraint of Beasts Magnus Mills, 2011-11-11 Once upon a time in Scotland there were three men who built high tension fences the kind that keep animals in and humans out or maybe the other way around Magnus Mills gives us a wiry novel of tensile strength that proves him a writer of ferocious talent Eerie resonant spare yet rich in tones both hilarious and ominous as if a work by Irvine Welsh or perhaps Macbeth had been adapted by the Coen brothers his story has a finale so ingenious insidious and satisfying it remains locked in the mind long after the last wire has been strung into place

The Comic Turn in Contemporary English Fiction Huw Marsh, 2020-07-09 The Comic Turn in Contemporary English Fiction explores the importance of comedy in contemporary literature and culture In an era largely defined by a mood of crisis bleakness cruelty melancholia environmental catastrophe and collapse Huw Marsh argues that contemporary fiction is as likely to treat these subjects comically as it is to treat them gravely and that the recognition and proper analysis of this humour opens up new ways to think about literature Structured around readings of authors including Martin Amis Nicola Barker Julian Barnes Jonathan Coe Howard Jacobson Magnus Mills and Zadie Smith this book suggests not only that much of the most interesting contemporary writing is funny and that there is a comic tendency in contemporary fiction but also that this humour this comic licence allows writers of contemporary fiction to do peculiar and interesting things things that are funny in the sense of odd or strange and that may in turn inspire a funny turn in readers Marsh offers a series of original critical and theoretical frameworks for discussing questions of literary genre style affect and politics demonstrating that comedy is an often neglected mode that plays a generative role in much of the most interesting contemporary writing creating sites of rich political stylistic cognitive and ethical contestation whose analysis offers a new perspective on the present
