## **The Resurrection According To Paul:**

**A Theology of Paul the Apostle, Part One** G. Roger Greene, 2023-07-21 The legacy of Paul looms large in all Christian theology While the study of Paul is not a simple task proper interpretation should be sustainable on the basis of a thorough examination of Paul s letters within their historical matrix The work *Theology of Paul the Apostle* is presented in two parts Part One Paul s Eschatological Gospel addresses matters relevant for Paul s appreciation of the gospel of God in the establishment of the eschatological community in Christ Paul s Judaism informs his apocalyptic description as he expresses his thought with consistent convictions within the varied contingent contexts of his communities within a Greco Roman world Part Two Cross and Atonement examines a perennial storm center within Paul s theology from both an exegetical and developmentally historical perspective Paul was embraced by the gospel of God in Christ the resurrection being the turning point of the ages While Paul s theology and the understandings of Paul must be established point by point Paul s theology has continuing relevance within the very different matrix of a postmodern world [Paul and the Parousia](#) Joseph Plevnik, 2014-04-23 Surprisingly there has never been a comprehensive exegetical study in English of Saint Paul s view of the second coming or Parousia of Christ In this methodical analysis Joseph Plevnik brings nearly three decades of research to bear on the question of Paul s understanding of this most central tenet of the whole Christ event With careful attention to the concepts and terms underlying the notion of the Lord s coming Plevnik examines the key Pauline texts such as 1 Thess 5 1 11 and 1 Cor 15 23 28 Plevnik then constructs a viable theological interpretation of the great Christian hope including the language of hope Christ s parousia and judgment conflict at Christ s return the place of the church and Paul s apocalyptic theology This volume will be indispensable for any study of Pauline theology the Parousia the theology of hope and apocalypticism It is my hope that the book will be not only a scholarly contribution on the topic but also of some personal value to the reader and to the preacher It may provide a timely reading at the close of the second millennium The times and seasons however are not for us to determine but a proper preparedness for the Lord s coming is the message of the New Testament and of Paul in particular If the Lord s coming may no longer be said to be near it can still be desired Marana tha
