The Resurrection The Unopened Gift:

The Resurrection Gerard Chrispin,2002-01 Grasping the significance of the resurrection can help an unbeliever to life changing faith and encourage all who know Christ to serve him fully **John Warwick Montgomery's Legal Apologetic** Ross Clifford,2016-01-22 Dr Montgomery is one of our leading Christian apologists His writings have influenced several generations of apologists from around the globe His debates are legendary This book purports to break new ground apologetically as it assesses Dr Montgomery s work It focuses on his legal historical apo logetic and in the process reframes it for both for the tough minded and the tender hearted It shows not only the rationality of Montgomery s work but also that his writings pave the way for an apologetic to New Age follo wers and to those who place experience before reason A special feature of this analysis concerns Montgomery s apologetic insights on the occult and paganism This book also breaks new ground as the legal apologetic model has not been previously assessed it illustrates that a juridical apologetic style has a rich history dating back to the Gospels themselves The present work should thus be of particular interest to apologists theologians philosophers of religion pastors and all who are concerned to share the legal historical fact of the Resurrection of Jesus together with its relevance in a secular age **Abundant Gifts** Diane Eble,2004 With a year s worth of five day a week devotions Eble reveals to readers a God whose goodness and grace and gift giving are personal **God Wants A Relationship With You!** Bruce Geary,2021-03-05 The sixteen shortened biblical stories are told through the lens of relationships which is a fresh way of telling them This book will get you thinking about the Biblical character of God God s stories uncover His love for every human being as you read His stories of how He had a relationship with ancient characters From these stories you can see how much God cares and wants an intimate relationship with you The stories reveal how you can build relationships with others too Most chapters focus on traits of a healthy relationship like trust and listening All this is wonderful news for those who are seeking healthy relationships with God family members and friends Come and see how God invites you to a healthy loving relationship with Him Admiring and Applauding God R. Bruce Stevens,2015-04-13 If we are being honest many of us would admit that we spend practically no time praising God when we pray We confess and thank and ask but we don t do so well with the praising part of prayer It is not that we don t think God worthy of our praise nor is it because we don t desire to praise God for his greatness and goodness We simply do not know how to do it Admiring and Applauding God is a practical and simple tool that helps us praise God in prayer by daily focusing our minds and hearts on one facet of God s character This tool does not tell you what to pray but prompts you to reflect and dwell on God s goodness based on your own life experiences By keeping this book handy when you pray you will find yourself spending several minutes admiring and applauding the great God who made us and who loves to meet with us *Seeking Daily the Heart of God* Boyd Bailey,2008 **The Hidden Peace** Joel Muddamalle,2024-03-05 ECPA Bestseller The peace we long for begins with coming to the end of ourselves There are inescapable aspects of life we are all marked by We have less control

than we want more anxiety than we're comfortable with and just enough insecurity to continually remind us of our shortcomings. To experience these things is to be human. We aren't superheroes and invincibility isn't an option. But humility is. Whether we've incorrectly defined it or underestimated its relevance to our daily life, humility is the missing piece for the security, strength, and confidence we all want. It's time to stop trying so hard to avoid our limitations or overcompensate for them. God has better for us, and it begins with bowing low in humility. With relatable stories, practical wisdom, and biblical theology broken down into digestible takeaways, *The Hidden Peace* by Dr. Joel Muddamalle will help you overcome the fear of being found out or looking like a fraud by realizing God's intent for shortcomings and weaknesses. Walk through hurtful situations in the most God-honoring way by gaining a true understanding of biblical humility. Answer the question: why do bad things happen to good people? by learning a perspective shift that will change how you process suffering. Know confidently that you're living with purpose and being used by God through seven ways to practically live like Him today. Be led by the biblical definition of self-awareness so you can experience the unexpected ways it brings safety and security to your life. Stop believing the lie that theology is out of touch or too difficult to comprehend, as Joel shows you how to dig into scripture and study it yourself. Weakness is not your enemy. Planted in the soil of humility, weakness becomes a means to gaining more strength and more peace.
