The Mating Game Lana Ferguson, 2025-12-02 Two wolf shifters reluctant to love discover there s no fighting the call of the wild in this steamy romance by USA Today bestselling author Lana Ferguson Contractor Tess Covington has spent her entire life as a regular non shifter human so after she lands in the Denver ER with flu like symptoms it comes as a complete shock to be told that no she s not sick she s actually a late presenting omega wolf shifter With her family in dire financial straits and a contract for her own television show on the line she can t afford not to complete the renovation job she came for And given that her newly emerged wolf is in danger of going into heat she ll just have to do her best to follow the doctor s advice to keep away from alpha shifters Alpha wolf Hunter Barrett has spent most of his adult life living by a routine and a big part of that involves staying clear of omegas after having one stomp on his heart So when the tiny contractor shows up at his place smelling like the one thing he s determined to avoid he thinks it must be some sort of cosmic joke But with his lodge on the verge of failing and this sweet smelling omega his only hope to turn things around he s left with few other options than to grin and bear it Set on avoiding each other as much as possible they find things unexpectedly starting to heat up between them enough to thaw even the frostiest of hearts Though even with the pair going head over paws for each other there s no changing that their fling has an expiration date The more time they spend together

the more they realize they re playing a dangerous game one where the only thing on the line is their hearts **Anna Livia Plurilingual** Patrick O'Neill,2025-05-16 The complexity of James Joyce s Finnegans Wake ensures that it cannot be translated rather it can only be rewritten These rewritings vary significantly and the extent of their differences both within individual target languages and across multiple languages invites further exploration Anna Livia Plurilingual is a study of a Joycean macrotext that provides a detailed comparative analysis of multiple translations of selected excerpts from Joyce s iconic Anna Livia Plurabelle 1928 which was later incorporated into Finnegans Wake 1939 Patrick O Neill examines how these translations function as independent texts rather than mere derivatives of the original highlighting the creative and interpretative choices made by translators While the concept of a literary macrotext could in principle encompass all reader responses this work specifically focuses on translations emphasizing comparative readings of the original text alongside its diverse interpretations O Neill s investigation not only illuminates the intricacies of Joyce s language and the complexities of the resulting macrotext but also offers valuable insights into the broader field of literary translation studies **Children's Books in Print** R R Bowker Publishing,Bowker,1999-12 **Space Race** Jamie Simons,E.
