You Can't Have It All Stassi Schroeder, 2024-09-10 Before she wrote Off with my head her memoir about hitting what felt like rock bottom Stassi Schroeder was working on a book about how to be a girlboss But in 2020 after a global pandemic losing her job having her first child and getting married being a girlboss was no longer the vibe Instead of giving up Stassi grew up and learned from her mistakes and after two and a half years she was ready to relaunch her career with a new perspective on life to carve her own path on her own terms This book is about accepting the fact that you may not be the perfect person at all times and that's okay She encourages us all to learn how to take the pressure off give ourselves grace and lean into the things that bring us joy Super-Manny Manuel Davila Sr, 2016-05-21 Faith mixed with love is the only tool we have to redirect the path in which we travel or are chosen to go My life your life all life is already preset to reach its destination When you walk with love and faith it will clear the way for you My journey lead by love of family and strong faith allowed me to win the biggest fight against cancer This is my story Steamy Espresso Secrets

Tyora Moody, 2025-10-28 Barista and true crime podcaster Joss Miller is looking for her next cold case when her brother shows up unannounced in Charleston She's sure he's hiding something and her detective boyfriend Andre Baez seems to know exactly what it is But neither of them is saying a word Before she can figure out what's going on Joss stumbles across the perfect story for her Cold Justice podcast A gifted street artist died two years ago in what police called a tragic accident But was it really The deeper she digs the more tangled the mystery becomes and the closer she gets to the real reason her brother came home If she's not careful Joss might uncover more than she bargained for Fancy's Baby Pamela Bauer, 2014

Undercover Mother Eirin Thompson, 2008 A part time job as an undercover store detective at the Riverside Shopping Mall seems ideal for our mum of three whose kids are now at school Used to not being noticed at home she feels she has the perfect credentials The invisible eye of the Mall she witnesses the good bad and ugly of suburban life and it's not long before things become more complicated than the job first promised There's the mystery of the posh schoolgirl and why security is turning a blind eye There's the question of dubious vote casting in the bonny baby competition There's Zero FM star Lindy

May and the case of her missing brother And then bizarrely she finds herself cast as the reluctant sleuth in an abandoned baby case from many years back where nothing is quite as it first seems With home life in growing disarray the pressure begins to mount and it s not long before everything starts to get a little blurry around the edges The Undercover Mother is a hilarious unflinchingly honest tale of an unforgettable heroine who s trying hard not so much to have it all but to keep intact the bit that she does have
