Bowyer Bell,2017-07-28 We fight therefore we are This revision of Cartesian wisdom was enunciated by the late premier of Israel Menachem Begin It is the leitmotif of this brilliant study of the military origins of modern Israel J Bowyer Bell argues that the members of Irgun Lehi the Stern Gang and the Zionist underground in British mandated Palestine had clear motives for the violent path they took the creation of a sovereign homeland for the Jewish people in oppressed lands These advocates of terror pitted themselves against not only the British and the Arabs but also against less violent brethren like Ben Gurion Moshe Dayan and Yitzhak Rabin This is the definitive story of desperate dedicated revolutionaries who were driven to conclude that lives must be taken if Israel were to live The dynamite bombing of the King David Hotel the assassination of Lord Moyne in Cairo and Count Bernadotte in Palestine were but a few acts of terror which forced the British out of the Middle East Terror Out of Zion evaluates whether these acts were extremist or necessary and whether these men and women were fanatics or freedom fighters Terror Out of Zion serves as a primer for those who would understand contemporary political divisions in Israel It is based on careful historical research and interviews with surviving members of the Irgun chronicling bombings assassinations hah breadth prison escapes and endless cycles of retaliation in the terror that gave birth to Israel but no less continues to inform its political relations Bell has fashioned an adventure story that also explains the sources of current tensions and frictions within Israel Publishers Weekly wrote that Bell s book crackles with suspense and explodes with tales of carnage and violence it could hardly be otherwise Yet he writes with compassion and insight into the black despair that engendered the terrorist s brutal deeds And a highly laudat *International Encyclopedia of Terrorism* Martha Crenshaw,John Pimlott,2015-04-22 This timely reference book places the growing 20th century phenomenon of terrorism in an historical context Starting with the use of assassination in Ancient Greece and including the recent bombing
