Underground Prophet Linda Sparrow York,2003-01 *False Prophet* Steven Taylor,2003 On the road with a punk rock band **Adventure** Rosita Forbes,1928 2025 The Remnant S. D. Burke,2014-04 It s 2025 Earthquakes floods forest fires and terror attacks cause people to wonder if these are the end times A global America slides into chaos As a member of the World Federation America joins One World Finances and the One World Religion The Bible is outlawed Christians are persecuted People are forced to take a number to buy and sell Those who resist become homeless or are sent to prison for refusing to take the number Families are divided This is twenty one year old Daniel Jordan s story a faith journey a story of following truth no matter where it leads a story of love danger and adventure Daniel and his friend Lydia Cohen deported from the City of Gold as youth senators and imprisoned in the dissident prison at Leavenworth escape through a miracle Aided by the Christian underground they make their way to Canada in search of Maranatha Village a refuge for dissidents They are now part of the remnant those who cannot follow the world regime and await the second coming of Christ Will Daniel and Lydia be able to start a new life in the village for dissidents What will happen to the families they leave behind And the most important question of all is this the time Jesus will return to the earth Join us for Book III in the 2025 trilogy The Remnant **Prophetic Histories** Jaap Timmer,2025-12-01 On Malaita in Solomon Islands an evangelical Israelite inspired movement centers on a distinctive time consciousness that reads the historical past and present as prophetic signs of an imminent future This book examines how these prophetic histories interweave biblical narrative theological reflection local accounts kastom practice spiritual journeys and Old Testament political theory Michael Maeliau the movement s foremost leader casts the resulting stories as divine messages His theological reasoning transcends time space hierarchy and surface identity to uncover the true essence of Malaita and establish a theocracy on the island At the movement s core lies a prophetic order that integrates events scripture and kastom while foregrounding the agency of God and divine revelations The Great Peacemaker from Hell Alejandro Roque Glez,2012-04 This is a book that impresses with its scatological details and origin of the main characters in the novel and announces the next ominous truth blind to our entertained top noodles in numbness Here a world leader has arised during the End Times as we read details of his personal life such as where he was born who his parents and ancestry came from raising stories which occurred during his childhood and youth as well the sabotage against human dignity by revealing the works associated with this arbitrary skillful manipulator of insidious means called as the Antichrist in the Holy Scriptures In this book the reader will find a human Beast that longs to become an instrument of life and ended his days praising death injustice and the establishment of a universal and obscure principality For a group of insane madmen money and wealth is not enough but is needed an epileptiform glory at the cost of their whims The great peacemaker from hell Nimrodís Filisteus Primerus is not alone because he has a partnership with a religious leader who joins such race in universal campaign using his demagoguery and schizophrenic tattletales He meets Nimrodís at the

coronation of Pope Benedictine Postremo I and from some relevant evening to the night time of history he becomes known as the False Prophet from the Book of Revelation

The Church Universal and Triumphant Bradley C. Whitsel,2003-03 Bradley Whitsel s vivid account of the Church Universal Triumphant CUT from its modest origin as a tiny fragment of the esoteric community to its growth into a wealthy and formidable organization in the 1960s and early 1970s constitutes one of the most compelling stories to emerge from the larger movement of American religion Founded in 1958 by the charismatic Mark Prophet and subsequently headed by his wife Elizabeth Clare Prophet the Church combines New Age beliefs with an anti Communist mindset based on the conviction that America was imperiled by left wing enemies In his deft examination of the group s evolution Whitsel uses internal church documents as well as other resources to trace CUT s development of a dark apocalyptic division He places the Church Universal and Triumphant within the context of other millennial groups sharing a similar psychology of crisis and disaster and analyze the church s interactions with its political environment This book will appeal to general readers as well as political scientists and sociologists specializing in the fields of political sociology millennialism and radical religio polical movements
