Thomas Northcote Toller of the Bosworth Toller Anglo Saxon Dictionary is one of the most influential but least known Anglo Saxon scholars of the early twentieth century The Centre for Anglo Saxon Studies at Manchester where Toller was the first professor of English Language has an annual Toller lecture delivered by an expert in the field of Anglo Saxon Studies this volume offers a selection from these lectures brought together for the first time and with supplementary material added by the authors to bring them up to date They are complemented by the 2002 Toller Lecture Peter Baker s study of Toller

chosen and spoken languages and explores the consequences of combining a traditional and a contemporary method and hence speaking two languages Each essay includes a critical bibliographical note pointing to further reading in the languages it employs
