

UNDERSTANDING OFFENDING BEHAVIOUR

**JOHN STEWART DAVID SMITH GILL STEWART
WITH CEDRIC FULLWOOD**

Understanding Offending Behaviour

Emma J Palmer

Understanding Offending Behaviour:

Psychology and Crime Francis Pakes, Jane Winstone, 2013-05-13 Society today is fascinated by crime. Crime is a hot topic in the media so that people are continually exposed to criminal events, portrayals of those who commit them and the suffering of victims. Yet the reality of crime is often very different from how it is portrayed in the media. Most crime is neither violent nor morbid; most offenders are not psychopaths and although prison generally does not work, there may well be other, less punitive but more constructive interventions that are actually quite effective. This book exposes some of the most prevalent myths about crime and criminal behaviour. In addition, it provides the reader with up-to-date knowledge on crime and offending behaviour. It also highlights the ways in which psychological methods of research and psychological knowledge can help us to understand criminal behaviour and the ways that targeted interventions are developed based upon this. Pakes and Winstone's *Psychology and Crime* is essential reading for students taking courses in the psychology of crime, criminal and forensic psychology, criminology and community justice, as well as for other courses where a knowledge of the complex relationship between psychology and crime and its application in practice is required. Practitioners and policy makers will also find it highly informative.

Understanding Offending Behaviour John Stewart, 2017-09-29 Based on a survey of probation work with almost 1400 young adult offenders, this book provides a unique insight into the realities of probation practice in a context of increasing poverty, drug use and community breakdown. Starting with an outline of the current policy environment, the book discusses the relevance of criminological theory to the harsh experience of young offenders in modern Britain. It goes on to develop a typology of offending behaviour on the basis of detailed and often disturbing accounts of the histories and troubles of young people afflicted by poverty, disruption of family relationships and long-term unemployment. While much of the book is concerned with the difficulties young offenders experience and the problems probation officers have in trying to help them change, the overall message of the book is not one of despair. The authors show that good probation practice can make a difference and the book is written in a way which will be useful to practitioners and policy makers involved with supervising offenders in the community. From the typology of offending, the authors extract lessons for appropriate and relevant practice which should help to improve the quality and effectiveness of the probation service. Some of these implications are explored in the concluding chapter by Cedric Fullwood, Chief Probation Officer of Greater Manchester. As well as criminal justice practitioners, students of criminology, probation trainees and other social work students will find in the book many vivid examples of how sociological theory can be used to understand and interpret practice. The book is likely to provoke much debate about what constitutes positive practice in a probation service facing the challenges of the future.

Understanding Criminal Careers Keith Soothill, Claire Fitzpatrick, Brian Francis, 2013-05-13 The study of criminal careers is of increasing interest in criminology. It is now generally recognised that it is important to try to understand criminal behaviour across the life course rather than focusing on fragmented incidents which provide only a

partial picture This is an accessible text which clarifies the crucial theoretical and methodological debates surrounding the study of criminal careers It focuses on some major longitudinal studies discussing the onset persistence desistance and the duration of a criminal career The important topics of prediction risk and specialisation are addressed The challenging question of When do ex offenders become like non offenders points a way forward The book concludes by proposing an even more ambitious approach to the topic of criminal careers

An Introduction to Criminal Psychology Russil

Durrant,2013-05-07 Crime is a topic that is of considerable interest to policy makers politicians and the public alike We want to know what factors can explain the nature and prevalence of crime in society and use this knowledge to better develop approaches for managing criminal behaviour This book provides a comprehensive overview of approaches to understanding crime and criminal behaviour with a focus on psychological perspectives A wide range of different types of criminal behaviour are considered including juvenile crime violent offending sexual offending collective violence and drug use For each type of offence a clear overview of key conceptual and methodological issues is provided along with a detailed consideration of the major theoretical approaches that have been developed The book concludes by considering how our theoretical understanding of crime can inform our responses to criminal behaviour in terms of punishment prevention and rehabilitation Key features of the book include an in depth coverage of a broad range of different types of criminal behaviour inclusion of a diverse range of different theoretical perspectives accessibly written with extensive use of case studies boxes and activities an extensive use of up to date references that highlight the current state of knowledge in the field of criminal psychology This book should be of interest to students academics researchers and practitioners with an interest in criminal behaviour and is particularly suitable for undergraduate courses in criminal psychology forensic psychology and psychological criminology

Beyond Offending Behaviour Mark Drakeford,Maurice Vanstone,1996

This book sets out the social and economic circumstances which dominate the lives of people who appear before the courts It links together contemporary theory and practice examples to argue that workers in this area must address those circumstances

Forensic Case Histories Jackie Craissati,2020-12-29 Forensic Case Histories Understanding Serious Offending Behaviour in Men examines men s violent and sexual offending behaviours outlined through a series of real offender narratives from a psychological perspective and in an accessible manner that will engage any audience from the criminology intrigued layperson to the specialist in the field This unique and conversational text thinks psychologically about serious crime offering a compilation of men s narratives that explore their life experiences and the ways in which these experiences influence their behaviour in adulthood Each chapter addresses a particular theme covering frequently asked questions in the field such as How can an apparently motiveless offence have meaning and Is psychopathy a personality disorder and why do we struggle to treat individuals with such traits The narratives of individuals who offend are central to the discussion but the chapters each draw on the relevant facts from the research literature and highlight key learning points Many chapters also feature

Further Reading sections to expand readers knowledge Both educational and accessible Forensic Case Histories will appeal not only to specialists but to any layperson curious to understand more about criminal acts It is especially valuable to students and instructors of criminal justice mental health and related fields

Understanding Criminal Behaviour David Jones,2019-08-13 Our understanding of criminal behaviour and its causes has been too long damaged by the failure to integrate the emotional psychological social and cultural influences on the way people behave This book offers a concise and accessible introduction to criminal behaviour examining and integrating perspectives from criminology and psychology It proposes a range of psychosocial approaches that seek to understand the emotions that surround criminal behaviour allowing for an exploration of individual differences and social and cultural issues that help to bridge the gap between disciplinary approaches It offers substantive chapters on a range of topics including mental disorder and the relationship between mental health and offending criminal career research youth crime and the question of criminal responsibility gender and crime and violent crime including homicide and sexual crime This new edition has been fully updated including a revised opening chapter that offers an introduction to psychosocial criminology up to date discussion of changes in the criminal justice system in the context of mental health and two new chapters on race and crime and public violence extremism and terrorism This book is essential reading for students taking a range of courses on criminal behaviour criminological theory criminal psychology and psychological criminology

Offending Behaviour Emma J. Palmer,2003 Reviews the relationship between psychology moral reasoning theory and offending behaviour while setting out the theory and research that has been conducted in the field and examines the ways in which this knowledge has been used in practice to develop treatment programs for offenders The author pays particular attention to Kohlberg s theory of moral reasoning providing a link between this theory and developmental psychology along with a review of more recent critiques of this theory and an analysis of the difficulties of assessing moral reasoning

Understanding and Preventing Child Sexual Abuse: Male victims, adolescents, adult outcomes, and offender treatment Christopher Bagley,1996

Understanding Criminology Sandra Walklate,1998 This is one of a series of student textbooks designed to cover the major areas of debate within the fields of criminology criminal justice and penology

Understanding, Assessing, and Rehabilitating Juvenile Sexual Offenders Phil Rich,2003-05-21 Understanding Assessing and Rehabilitating Juvenile Sexual Offenders guides mental health professionals through the breadth of assessment and treatment methods available for working with this special population providing a succinct yet complete survey of the field and a reliable resource for assessment treatment and rehabilitation

Midwest

Theories of Sexual Offending Tony Ward,Devon Polaschek,Anthony R. Beech,2006 New theoretical perspectives on sexual offending from one of the leading figures in the field

Offending Behaviour Emma J Palmer,2013-05-24 This book provides a comprehensive and up to date review of the relationship between psychology moral reasoning theory and offending behaviour It sets out the theory and research which has been carried out in the field and

examines the ways in which this knowledge has been used in practice to inform treatment programmes for offenders This book pays particular attention to Kohlberg s theory of moral reasoning providing a link between this theory and developmental psychology along with a review of more recent critiques of this theory and an analysis of the difficulties of accurately assessing moral reasoning The book goes on to assess moral reasoning as an explanation of offending behaviour looking at how moral reasoning interacts with child rearing and family factors social factors and social cognition Offending is therefore presented as a complex phenomenon caused by an interaction of variables that are internal and external to the individual The book concludes with a consideration of how knowledge and research in the area of moral reasoning and offending has been used in practice to inform treatment programmes for offenders looking at a variety of different settings prison residential settings and in the community

Offenders with Developmental Disabilities William R. Lindsay, John L. Taylor, Peter Sturmey, 2004-05-28 This book provides a comprehensive review of the nature and development of offending by those with intellectual disabilities It includes coverage of evidence based assessment and treatment ideas strategies and plans but also places the field in a historical legal and ethical context

Changing Offenders' Attitudes and Behaviour Julie Vennard, Carol Hedderman, Darren Sugg, 1997 Contains Part 1 The use of cognitive behavioural approaches with offenders messages from research by J Vennard D Sugg and C Hedderman and Part 2 The influence of cognitive approaches a survey of probation programmes by C Hedderman and D Sugg

Linking Serious Sexual Assaults Through Behaviour Don Grubin, Peter Kelly, Chris Brunson, 2001 Describes a study that examined the extent to which behavioural consistency is a regular feature of serial sex offending against females unknown to their attackers Explored how this might be used systematically to support the linking of crimes

Working with Young People who Sexually Abuse Martin C. Calder, 1999 This impressive collection of carefully edited papers aims to consolidate and extend our current knowledge and practice base in relation to young people who sexually abuse A very readable informative and thought provoking book it addresses a range of issues facing practitioners managers and policy makers in all corners of the globe It explores a variety of developments from theory practice and research that will encourage the reader to reflect review and extend their practice base It also provides policy makers with a good platform from which to respond to the challenge of further guidance and coordination

Understanding Criminal Victimization Ezzat A. Fattah, 1991

Working with Offenders Tim May, Antony A Vass, 1996-04-05 The papers in this collection examine the knowledge skills and values which are needed by those working as probation officers and social workers and provide a critical appraisal of the policies and requirements which guide those roles

Attachment and Sexual Offending Phil Rich, 2006 This book provides a broad overview of the literature theory and clinical treatment of attachment deficit It discusses its application in understanding the etiology of juvenile sexual offending as well as implications for treatment Issues addressed include the components of attachment and social connection attachment and the development of personality neurology and attachment the development of social

competence and consideration of whether attachment can be learned

Understanding Offending Behaviour Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Understanding Offending Behaviour free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Understanding Offending Behaviour free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from

dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Understanding Offending Behaviour free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Understanding Offending Behaviour. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Understanding Offending Behaviour any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Understanding Offending Behaviour Books

1. Where can I buy Understanding Offending Behaviour books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
