

What Does Islam Say About Dreams?

A dream is something that is common to all human beings

Most dreams that people have don't require any interpretation

Dreams can be an intense and emotional experience for people

One type of dreams are good dreams which are from Allah

Another type are those bad dreams that are from Satan

The third type are from a person's own subconscious and mind

Dreams can be true dreams, but there are evil dreams as well

We should not tell anyone about bad dreams and nightmares

We can see the Prophet in dreams, and it can be a true dream

We cannot see Allah's actual form and appearance in a dream
