

Working Key Ideas Ser

James Ingall Wedgwood

Working Key Ideas Ser:

Ethics, Values and Social Work Practice Linda Bell, Trish Hafford-Letchfield, 2015-03-16 A framework of ethics and values forms the foundation of social workers professional identities Ethics and values should shape the way that social workers practice and how they impact upon the lives of the service users they work to support In a fast moving world influenced by shifting policy tight budgets and changing practice standards students and practitioners need to anchor their understanding of themselves to clear principles for ethical practice Ethics Values and Social Work Practice is a brand new text offering students and social work practitioners a contemporary and relevant introduction to the central role of ethics and values in their work In addition to a grounding in the major trends in ethics applied to social work this book also provides perspectives on How to situate ethics and values in social work practice How to understand ethics as part of reflective practice as both student and practitioner How ethics and values link to concepts of power diversity and social justice The role of ethics and values in interprofessional and partnership working The guiding principles and ethics inherent in relationship based social work The book supports student learning by providing Discussion points to allow time for individual reflection or ethical debates Case studies based on likely scenarios from practice with reflection points to help social workers engage with the issues raised Chapter summaries and key points for social work practice to reinforce the relevance of your learning to real social work practice A glossary of key terms as a reference for key ethics terms and concepts Contributors Pat Cartney Jean Dillon Souzy Dracopoulou Ann Flynn Alison Higgs Mina Hyare Colin Whittington Margaret Whittington and Tom Wilks This is an excellent edited reader providing students and practitioners with a grounding in ethics and values whilst linking these to specific practice and the development of professional identity inclusion and reflective practice This book will be an essential reader for those in qualifying social work programmes ASYE staff practitioners and academics Hugh McLaughlin Professor of Social Work Manchester Metropolitan University UK This book provides an exceptional expos of ethics and values in social work practice Conceptual clarity and critical presentations of contemporary debates are presented in a systematic text It is written in an accessible style and the content will prove valuable to social work students practitioners and researchers alike This is one of the most comprehensive books on ethics and values in social work practice available in the market Professor Lambert Engelbrecht Department of Social Work Stellenbosch University South Africa *High Points in the Work of the High Schools of New York City*, 1925 **Rural, Regional and Remote Social Work** Amanda Howard, Meaghan Katrak, Tamara Blakemore, Phillip Pallas, 2016-05-26 This book gives voice to the direct practice experience of social workers working in rural and remote contexts using Australia as the primary case study The authors undertake a qualitative research project conducting in depth interviews to examine social work theory and practice against the reality of rural and remote contexts Practice examples provide the reader with an insight into the diverse and complex nature of social work in rural and remote Australia and the role of contemporary social work Through placing rural and remote social work in its historical

theoretical and geographical contexts this work explores a range of considerations These include isolation ethical dilemmas when working with small and closely linked communities climate disaster relief and the environment community identity and culture working with indigenous communities in remote contexts and social work education Based on direct practice research this book challenges existing theories of practice and reframes those to reflect the reality of practice in rural and remote communities As social work must continue to critically reflect on its role within an ever changing and individualistic society lessons from rural and remote settings around engagement sense of place and skillful innovative practice have never been more relevant

Bulletin of High Points in the Work of the High Schools of New York City ,1926 **A Study in the Language and the Main Ideas of Arne Garborg's Works** Ingebrigt Lillehei,1914 *The Art of M&A Strategy: A Guide to Building Your Company's Future through Mergers, Acquisitions, and Divestitures* Kenneth Smith,Alexandra Reed Lajoux,2012-01-05 Seize the competitive advantage with today s most powerful strategic tool M A Given the influence of technology globalization and regulatory change M A will continue to shape our industries For most companies therefore the consideration of M A in strategy is now fundamental from the Introduction to Part I The Art of M A Strategy is exactly what you need to build mergers acquisitions and divestitures into your overall business strategy to make M A a competitive advantage and avoid landing on the long list of M A failures Experts in the field of M A Smith and Lajoux demystify this otherwise complex subject by taking you through the types of M A strategy and the key steps to successful M A strategy development and implementation The Art of M A Strategy is conveniently organized into three sections Part I presents a range of possible corporate strategy situations and provides the role and rationale for M A in each such as building and managing a portfolio participating in industry consolidation spurring corporate growth and using acquisitions to create real options Part II outlines how to determine the role of M A in your strategy taking into consideration industry context competitive imperatives and strategy options and explains how to find and screen partners decide whether to buy or sell and engage the board of directors in M A decisions Part III covers M A as a sustained corporate program particularly in the context of international growth outlining the most strategic aspects of post merger integration describing how to use advisors throughout the process and examining core competencies required for successful M A programs The authors illuminate the purpose and process of applying M A with real world success stories involving Cisco GE Google and many other companies that have leveraged M A for strategic success Use The Art of M A Strategy to create a powerful strategy position for success in today s changing business environment and to seize and hold competitive advantage
