World Literature:

What is World Literature? David Damrosch, 2003-03-30 INTRODUCTION Goethe coins a phrase PART ONE CIRCULATION Gilgamesh's quest The pope's blowgun From the old world to the whole world PART TWO TRANSLATION Love in the necropolis The afterlife of Mechthild von Magdeburg Kafka comes home PART THREE PRODUCTION English in the world Rigoberta Menchú in print The poisoned book CONCLUSION World enough and time **World Literature Reader** Theo D'haen, César Domínguez, Mads Rosendahl Thomsen, 2012-06 World Literature is an increasingly influential subject in literary studies which has led to the re-framing of contemporary ideas of national literatures language and translation World Literature A Reader brings together thirty essential readings which display the theoretical foundations of the subject as well as showing its conceptual development over a two hundred year period The book features an illuminating introduction to the subject with suggested reading paths to help readers navigate through the materials texts exploring key themes such as globalization cosmopolitanism post-transnationalism and translation and nationalism writings by major figures including J W Goethe Karl Marx Friedrich Engels Longxi Zhao David Damrosch Gayatri Chakravorty Spivak Pascale Casanova and Milan Kundera The early explorations of the meaning of Weltliteratur are introduced while twenty-first century interpretations by leading scholars today show the latest critical developments in the field The editors offer readers the ideal introduction to the theories and debates surrounding the impact of this crucial area on the modern literary landscape **A History of World Literature** Theo D'haen, 2024-05-29 A History of World Literature is a fully revised and expanded edition of The Routledge Concise History of World Literature 2012 This remarkably broad and informative book offers an introduction to world literature Tracing the term from its earliest roots and situating it within a number of relevant contexts from postcolonialism decoloniality ecocriticism and book circulation Theo D'haen in ten tightly argued but richly detailed chapters examines the return of the term world literature and its changing meaning Goethe's concept of Weltliteratur and how this relates to current debates theories and theorists who have had an impact on world literature and how world literature is taught around the world By examining how world literature is studied around the globe this book is the ideal guide to an increasingly popular and important term in literary studies It is accessible and engaging and will be invaluable to students of world literature comparative literature translation postcolonial and decoloniality studies and materialist approaches and to anyone with an interest in these or related topics **Philosophy as World Literature** Jeffrey R. Di Leo, 2020-11-26 What does it mean to consider philosophy as a species of not just literature but world literature The authors in this collection explore philosophy through the lens of the worlding of literature that is how philosophy is connected and reconnected through global literary networks that cross borders mix stories and speak in translation and dialect Historically much of the world's most influential philosophy from Plato's dialogues and Augustine's confessions to Nietzsche's aphorisms and Sartre's plays was a form of literature as well as by extension a form of world literature Philosophy as World Literature offers a variety of

accounts of how the worlding of literature problematizes the national categorizing of philosophy and brings new meanings and challenges to the discussion of intersections between philosophy and literature *The Routledge Companion to World Literature* Theo D'haen, David Damrosch, Djelal Kadir, 2011-09-14 In the age of globalization the category of World Literature is increasingly important to academic teaching and research The Routledge Companion to World Literature offers a comprehensive pathway into this burgeoning and popular field Separated into four key sections the volume covers the history of World Literature through significant writers and theorists from Goethe to Said Casanova and Moretti the disciplinary relationship of World Literature to areas such as philology translation globalization and diaspora studies theoretical issues in World Literature including gender politics and ethics a global perspective on the politics of World Literature The forty eight outstanding contributors to this companion offer an ideal introduction to those approaching the field for the first time or looking to further their knowledge of this extensive field

Film as World Literature Robin Truth Goodman, 2025-10-16 Redefines the theoretical and thematic contents of world literature by considering it in connection with film What gets lost when we understand film as essentially different from literature What gets lost when we think them essentially the same Does the constructed difference between literature and film also create social and political exclusions exclusions that may exacerbate class struggle or exclusions of certain ways of thinking the future as different Film as World Literature seeks to undo disciplines and disciplinarity the division between film and literature indeed conceals the possibilities of world by bracketing out undisciplined parts Contributors apply ideas of translatability and untranslatability not just as a linguistic exercise of transfers between language groups cultures and national origins but also as an approach to media and transfers between media Is film a visual acknowledgement that literary language is by definition multilingual that is is film a place where political conflicts as Bakhtin observed can be rendered visible Chapters discuss film s relation to world literature not only by considering literary adaptations across nations regions languages ideologies and contexts but also by exploring film s intersections with literary theory narrative history genre and experimentation Film as World Literature calls for recognition that while the category of world demands a radical defense in the face of risks to democracy the world that literature and film combined bring forth must interrogate the conditions for a future politics of interaction engagement belonging and difference

Feminism as World Literature Robin Truth Goodman, 2022-11-03 The conventional lineage of World Literature starts with Goethe and moves through Marx Said Moretti and Damrosch among others What if there is another way to trace the lineage starting with Simone de Beauvoir and moving through Hannah Arendt Assia Djebar Octavia Butler Donna Haraway Karen Barad and Gayatri Spivak What ideas and issues get left out of the current foundations that have institutionalized World Literature and what can be added challenged or changed with this tweaking of the referential terminology Feminism as World Literature redefines the thematic and theoretical contents of World Literature in feminist terms as well as rethinking feminist terms analyses frameworks and concepts in a World Literature context Other ideas built

into World Literature and its criticism are viewed here by feminist framings including the environment technology immigration translation work race governance image sound religion affect violence media future and history The authors recognize genres strategies and themes of World Literature that demonstrate feminism as integral to the world making gestures of literary form and production In other words this volume looks to readings and modes of reading that expose how the historical worldliness of texts allows for feminist interventions that might not sit clearly or comfortably on the surfaces

Bulgarian Literature as World Literature Mihaela P. Harper, Dimitar Kambourov, 2020-11-12 Bulgarian Literature as World Literature examines key aspects and manifestations of 20th and 21st century Bulgarian literature by way of the global literary landscape The first volume to bring together in English the perspectives of prominent writers translators and scholars of Bulgarian literature and culture this long overdue collection identifies correlations between national and world aesthetic ideologies and literary traditions It situates Bulgarian literature within an array of contexts and foregrounds a complex interplay of changing internal and external forces These forces shaped not only the first collaborative efforts at the turn of the 20th century to insert Bulgarian literature into the world's literary repository but also the work of contemporary Bulgarian diaspora authors Mapping histories geographies economies and genetics the contributors assess the magnitudes and directions of such forces in order to articulate how a distinctly national minor literature produced for internal use and nearly invisible globally until the last decade transforms into world literature today

Pacific Literatures as World Literature Hsinya Huang, Chia-hua Yvonne Lin, 2023-05-04 Examines trans Pacific poets and writers to suggest a different way of understanding Oceanic literature and its place in world literature

Francophone Literature as World Literature Christian Moraru, Nicole Simek, Bertrand Westphal, 2020-06-25 Francophone Literature as World Literature examines French language works from a range of global traditions and shows how these literary practices draw individuals communities and their cultures and idioms into a planetary web of tension and cross fertilization The Francophone corpus under scrutiny here comes about in the evolving markedly relational context provided by these processes and their developments during and after the French empire The 15 chapters of this collection delve into key aspects moments and sites of the literature flourishing throughout the francosphere after World War II and especially since the 1980s from the French Hexagon to the Caribbean and India and from Quebec to the Maghreb and Romania Understood and practiced as World Literature Francophone literature claims with particular force in the wake of the literature monde debate its place in a more democratic world republic of letters where writers critics publishers and audiences are no longer beholden to traditional centers of cultural authority
