Stolen Thunder

Charles William Bardeen

Stolen Thunder:

Stolen Thunder Lisa St. Clair Harvey, 1994 Although political communication and public opinion research have established the importance of emotion in determining voter behavior little attention has been paid to the cultural understructure of the media environment within which both public life and political emotion take place Using an innovative combination of historical critical and anthropological techniques this book explores that important intellectual terrain It focuses on two complementary case studies the 1988 presidential election and the Bush Administration s self described War on Drugs to probe the mythic underpinnings of American political vision suggesting that in the age of television presidential elections are important primarily as public rituals

Stolen Thunder David Axton, 1993-01 *Stolen Thunder*, 1994 Retells the Norse myth about the God of Thunder and his recovery of his magic hammer Mjolnir from the Frost Giant Thrym

Social Influence Joseph P. Forgas, Kipling D. Williams, 2016-12-05 Social influence processes play a key role in human behavior Arguably our extraordinary evolutionary success has much to do with our subtle and highly developed ability to interact with and influence each other In this volume leading international researchers review and integrate contemporary theory and research on the many ways people influence each other considering both explicit direct and implicit indirect influence strategies Three sections examine fundamental processes and theory in social influence research the role of cognitive processes and strategies in social influence phenomena and the operation of social influence mechanisms in group settings By applying the latest research to a wide range of interpersonal phenomena this volume greatly advances our understanding of social influence mechanisms in strategic social interaction and should be of interest to all students researchers and practitioners interested in the dynamics of everyday interpersonal behavior
