Prizing Literature Gillian Roberts, 2011-01-01 When Canadian authors win prestigious literary prizes from the Governor General s Literary Award to the Man Booker Prize they are celebrated not only for their achievements but also for contributing to this country s cultural capital Discussions about culture national identity and citizenship are particularly complicated when the honorees are immigrants like Michael Ondaatje Carol Shields or Rohinton Mistry Then there is the case of Yann Martel who is identified both as Canadian and as rootlessly cosmopolitan How have these writers identities been recalibrated in order to claim them as representative Canadians Prizing Literature is the first extended study of contemporary award winning Canadian literature and the ways in which we celebrate its authors Gillian Roberts uses theories of hospitality to examine how prize winning authors are variously received and honoured depending on their citizenship and the extent to which they represent Canadianness Prizing Literature sheds light on popular and media understandings of what it means to be part of a

multicultural nation Relating Carol Shields's Essays and Fiction Nora Foster Stovel, 2023-01-01 This collection of essays explores celebrated Canadian author Carol Shields's experimentation with the essay genre in relation to her fiction. Shields's essays clarify her iconoclastic approach to rules of narrative and illuminate her revisionist policies elucidating the development of her fiction both novels and stories as her writing gradually becomes more explicitly feminist as well as more daringly postmodernist. The dozen essays by the eminent Canadianists included in this edition throw fresh light on Shields's writing inviting us to read it with new eyes by revealing how her essays reflect and refract the brilliance of her fiction. These essays read Shields's fiction through the lens of her essays including those contained in the recent Giardini edition wherein the author explains the creative methodologies involved in her fiction and also offers specific advice to writers of fiction.
