Can this witch survive in a world of magic, possibilities, danger, and love? Ebony Bell owns a cantankerous magical bookstore with a personality like a battering ram. Her best friend is a detective who drives like a photon shot from the sun. And a tall, dark, handsome but seriously irritating stranger named Nathan Wall has just walked into her life. Oh, and she's a witch. A consultant witch, to be precise. She spends her mornings selling books and her evenings investigating magical crimes for the local police department. While her life is messy, she manages until one investigation ends in a costly mistake. She reveals her powers to a normal human and as punishment is severed from her magic for one lunar cycle.
