**The Greatest Story Never Told** G. A. Hood, 2013-10-29      **Tales I Never Told!** Michael Winner, 2011-10-31 Michael Winner's new book *Tales I Never Told* is scurrilous affectionate and sometimes sensational. Winner's tales have a cast including Simon Cowell, Sir Michael Caine, Marlon Brando, Burt Lancaster, Faye Dunaway and many others of great fame and even some of less fame. The tales recount things that have happened in Winner's life. This is a man who lived with the stars and lived through extraordinary experiences. The book is a dazzling mix of genuine food expertise from the man who says he knows nothing about food but is arguably the most read food columnist in the world and acerbic wit in telling the stories with which Michael has entertained his friends for years. Winner is full of surprises none greater than when he married his long time girlfriend Geraldine Lynton Edwards in September 2011. His life has been extraordinary. At age fourteen he had a show column in twenty seven newspapers. He was at Cambridge aged seventeen and came out with an Honours Degree in law and economics at twenty. He was for a while the youngest movie director in the English speaking language. His career included decades in Hollywood and the producing and or directing of some of the most famous films of the twentieth century including the *Death Wish* series. His films have been shown at the Venice, San Francisco and Cannes film festivals. In early 2011 the American Cinematheque in Los Angeles mounted a three day tribute to him showing six of his movies with Michael giving his well known one man show on one evening and speaking between movies on the others. He became a food critic by accident but has nevertheless been writing in the *Sunday Times* for over sixteen years. He has never missed a week even when he was in intensive care and heavily dosed with morphine. The book also includes the last year of his *Sunday Times* reviews to bring people up to date with what is going on in that arena.

**If Your Mother Never Told You** Crystal Ferguson, 2012-01-30 This book was created in the hopes of informing and diverting my young sisters who are reiterating a cycle of disappointments as well as hardships. My direction is to build an environment that creates educated and powerful young sisters who will accomplish a completed education which in return will definitely allow them the chance at a successful career. My sole purpose is to produce as well as display every opportunity that's available to our fortunate sisters and allow that same opportunity to present itself to our unfortunate sisters. In addition my focus is to build each and every young sister's self esteem level and guide them through a variety of everyday issues as well as solutions that young women face in today's society.

**She Never Told Me About the Ocean** Elisabeth Sharp McKetta, 2021-03-02 I've always admired the writing of Elisabeth Sharp McKetta and her beautiful ambitious first novel demonstrates why *She Never Told Me about the Ocean* is a heroine's journey through forgiveness, birth and rebirth all the while treading the line between honoring the dead and feeling paralyzed by them. She has offered us a complicated portrait of mothers and daughters cupped inside one another like nesting dolls. Arthur Golden author of *Memoirs of a Geisha*. *She Never Told Me About the Ocean* is a tidal and intimate book brimming over with wonders and terrors and the watery echoes that bind generations of women. What a pleasure this book is

from start to finish McKetta maps the dark portals through which her women continuously reinvent themselves newborn at every age Karen Russell author of *Swamplandia* and *Orange World and Other Stories* Told by four women whose stories nest together *She Never Told Me about the Ocean* is an epic about a rite of passage that all humans undergo and none remember birth Eighteen year old Sage has been mothering her mother for as long as she can remember and as she arrives on the shores of adulthood she learns a secret before she was born she had an older brother who drowned In her search to discover who he was and why nobody told her Sage moves to tiny Dragon Island where her mother grew up There she embarks on a quest to learn the superstitions of the island especially its myths involving her mother Gathering stories from Ilya a legendary midwife who hires Sage as her apprentice Marella Sage s grieving mother who was named for the ocean yet has always been afraid of it and Charon the Underworld ferrywoman who delivers souls to the land of the dead Sage learns to stop rescuing her mother and simply let go But when her skill as Ilya s apprentice enables her to rescue her mother one final time in a way that means life or death Sage must shed her inherited fears and become her own woman
