Tea-Cup Reading Highland Seer, 2015-02-01 Tea Cup Reading Fortune Telling by Tea Leaves By A Highland Seer With Illustrations Melton's described methods of pouring away the tea and shaking the cup are rarely seen most readers ask the querent to drink the tea off then swirl the cup Likewise his notion that readers give intuitive interpretations reflects his unfamiliarity with teacup reading most readers use the standard symbols that have been handed down through several generations There are however many who prefer to read by feel and intuition as stated by Melton It is traditional to read a cup from the present to the future by starting along the rim at the handle of the cup and following the symbols downward in a spiral manner until the bottom is reached which symbolizes the far future Most readers see images only in the dark tea leaves against a white or neutral background some will also read the reverse images formed by seeing the symbols that form in the white negative spaces with a clump of dark leaves forming the background Some people consider it ill advised for one to attempt tasseography using tea from a cut open tea bag or to use a symbol dictionary The reasons for these prohibitions are practical tea bag tea is cut too finely to form recognizable figures in the cup and tea leaf reading has its own historic system of symbolism that does not correspond exactly with other systems such as symbolic dream divination
