My Testimony - Knowing God and Making Him Known Joel Hitchcock, 2022-01-04 Introduction My life has been filled with a multitude of supernatural encounters I titled my testimony Knowing God and Making Him Known because I feel that my life has revolved around this statement In the Bible the word know means to know God intimately and to love Him I could have called my testimony Loving God and Making Him Loved Jesus said Hear O Israel The Lord our God is one Lord And thou shalt love the Lord thy God with all thy heart and with all thy soul and with all thy mind and with all thy strength this is the first commandment And the second is like namely this Thou shalt love thy neighbour as thyself Mark 12 29 31 To know God is to love God with all our heart soul mind and strength To make Him known is to love our neighbor as ourselves I trust that my testimony will inspire you to also know and love God and also to make Him known Joel Hitchcock December 2021 Georgetown Delaware USA Dreams come true I looked upon those massive crowds in multiple countries Multitudes upon multitudes stood there eager to hear the Word of God and to be healed of their infirmities To minister to them was truly a dream come true There they stood thousands upon thousands of souls coming into the Kingdom of God and being healed of their diseases In Uganda a rebel soldier who had been responsible for many killings heard me say Even if you have killed someone Jesus can save you He gave his life to Jesus and God saved him In India a crippled woman was carried to our crusade Suddenly she saw a supernatural light flashing towards her and heard a voice saying You are now healed She stood up and walked Jesus healed her In South Africa a man told us that someone with a baseball cap came into his room and told him to come to our crusade and there he would be healed Who could this strange visitor have been Could it have been an angel of the Lord In that same crusade someone saw Jesus standing beside me as I prayed for the sick one by one She said that as I laid my hands upon people Jesus was laying His hands upon them with me In another crusade a woman was brought to the crusade in a wheelbarrow padded with a cushion She stood up out of that wheelbarrow and she was healed Hundreds attended that crusade and a local pastor told us his church was packed out with people that received Jesus in that crusade In Pakistan a lady was carried onto the platform because she could not walk In an instant Jesus touched her and she was healed At first she had something like a seizure then she stood up and walked All pandemonium broke out in that crusade The big tent was filled with thousands of souls and they pushed forward for prayer I saw two women slap each other physically in their determination to get to the front to receive prayer Of course I don't condone the slapping but I appreciated their determination and their faith that God would heal them In Venezuela a crippled man stood up out of his wheelchair This was an amazing miracle In one outreach in a tribal area very far from civilization as we know it Jesus showed up and healed the people It started with the healing of a young man's deaf ear He could hear perfectly in that ear From that point onward it seemed like every person we prayed for in that meeting was healed I could cite numbers but I have moved away from doing that not wanting to neither overstate nor understate the numbers God

knows the real numbers of those who came to Christ and continue to be swept into the Kingdom of God I can tell story after story and I pray that my testimony will bless you and stir you to dare to believe God for the impossible Let me tell you my story my testimony

How I Know God Answers Prayer Rosalind Goforth,1921 IT seems fitting that this little book of personal testimonies to answered prayer should have a brief introductory word as to how they came to be written The question has been asked by some who read many of these testimonies as they appeared in the pages of The Sunday School Times How could you write such personal and sacred incidents in your life I could not have written them but for a very clear God given leading The story is as follows When in Canada on our first furloughs I was frequently amazed at the incredulity expressed when definite testimony was given to an answer to prayer Sometimes this was shown by an expressive shrug of the shoulders sometimes by a sudden silence or turning of the topic of conversation and sometimes more openly by the query How do you know that it might not have happened so anyway Gradually the impression deepened If they will not believe one two or a dozen testimonies will they believe the combined testimonies of one whole life The more I thought of what it would mean to record the sacred incidents connected with answers to prayer the more I shrank from the publicity and from undertaking the task There were dozens of answers far too sacred for the public eye which were known only to a few others known only to God But if the record were to carry weight with those who did not believe in the supernatural element in prayer many personal and scarcely less sacred incidents must of necessity be made public

My Testimony Della Magnet,2000-12-20 Our God is extraordinary enough to make His way into the very center of our ordinary lives if we let him My Testimony is an easy read that somehow challenges you to go to a new place with God This very personal perspective will free you to realize God s majesty in the simplicity of your own life
