Ross Hastings, 2022-02-08 The resurrection of Jesus Christ is one of the best attested facts of history But believing in the resurrection is one thing Knowing what it means is another Although much has been written about the apologetics of the resurrection little has been written about its theological meaning This book reveals the hidden depths of the theological significance and ongoing relevance of the resurrection of Jesus Christ for our being our salvation Christian life ethics and our future hope **Raised with Christ** Adrian Warnock, 2009-12-22 Jesus truly is alive today But compared to his atoning death Jesus resurrection sparks relatively little discussion in the church Inadvertently we can become so focused on the good news that Christ died for our sins that we almost forget he was raised for our justification Romans 4:25 In *Raised with Christ* author Adrian Warnock exhorts Christians not to neglect the resurrection in their teaching and experience Warnock takes his cue from Acts where every recorded sermon focuses on Jesus resurrection He stresses that Christians who faithfully proclaim both the death and the bodily resurrection of Jesus and live out the implications of that message in vibrant grace filled churches will be enabled to reach a world that lives in death's dark shadow The power of the risen Christ is active in every true Christian transforming our lives *Raised with Christ* will help you discover afresh the massive implications of the empty tomb Jesus resurrection really has changed everything **The Reality of the Resurrection** Merrill Chapin Tenney, 1963 Jesus return from the dead to resume contact with his disciples is the great unshakable reality of the ages says Merrill C Tenney Dean Tenney makes a forceful case for the traditional Christian view of the Resurrection and demonstrates that Christ's conquest of death has prime significance for the spiritual

and intellectual concerns of our age His clear well organized presentation covers almost every aspect of this central doctrine Pagan Myths Hebrew Scriptures and Apocrypha Old Testament Predictions Evidence of the Gospels and Acts Developing Theology of the New Testament Emerging Creed of the Early Church Historical Evidence for the Resurrection Resurrection and the Nature of God Salvation and Eschatology What Christ s Conquering of Death Means for Humanity How the Resurrection Can Give Meaning and Purpose to Life Today The Resurrection of Jesus Christ Gerald O'Collins,1973

Did Jesus Rise From the Dead? Gary R. Habermas, Antony Flew, Terry L. Miethe, 2003-12-04 This is the most important question regarding the claims of the Christian faith Certainly no question in modern religious history demands more attention or interest as witnessed by the vast body of literature dealing with the Resurrection James I Packer says it well in his response to this debate When Christians are asked to make good their claim that this scheme is truth they point to Jesus resurrection The Easter event so they affirm demonstrated Jesus deity validated his teaching attested to the completion of his work of atonement for sin confirms his present cosmic dominion and coming

reappearance as Judge assures us that his personal pardon presence and power in people s lives today is fact and guarantees each believer s own reembodiment by Resurrection in the world to come The Apostle Paul considered the Resurrection to be the cornerstone of the Christian faith If Jesus did not rise from the dead the whole structure Christianity collapses Paul tells us in 1 Corinthians 15 14 17 And if Christ has not been raised our preaching is useless and so is you faith More than that we are then found to be false witnesses about God And if Christ has not been raised your faith is futile emphasis added The Christian faith and its claim to be Truth exists only if Jesus rose from the dead The heart of Christianity is a living Christ
