Introduction to Biblical Interpretation William W. Klein, Craig L. Blomberg, Robert L. Hubbard, Jr., 2017-03-28

Introduction to Biblical Interpretation now in its third edition is a classic hermeneutics textbook that sets forth concise logical and practical guidelines for discovering the truth in God's Word. With updates and revisions throughout that keep pace with current scholarship, this book offers students the best and most up-to-date information needed to interpret Scripture. Introduction to Biblical Interpretation defines and describes hermeneutics, the science of biblical interpretation. It suggests effective methods to understand the meaning of the biblical text, surveys the literary, cultural, social, and historical issues that impact any text, evaluates both traditional and modern approaches to Bible interpretation, examines the reader's role as an interpreter of the text, and helps identify what the reader brings to the text that could distort its message. It tackles the problem of how to apply the Bible in valid and significant ways today. Provides an extensive and revised annotated list of books that readers will find helpful in the practice of biblical interpretation. Used in college and seminary classrooms around the world, this volume is a trusted and valuable tool for students and other readers who desire to understand and apply the Bible.

Using Critical Theory Lois Tyson, 2011-11-16 Explaining both why theory is important and how to use it, Lois Tyson introduces beginning students of literature to this often daunting area in a friendly and approachable style. The new edition of this textbook is clearly structured with chapters based on major theories that students are expected to cover in their studies. Key features include coverage of major theories including psychoanalysis, Marxism, feminism, lesbian, gay, queer theories, postcolonial theory, African American theory, and a new chapter on New Criticism, formalism, practical demonstrations of how to use these theories on short literary works selected from canonical authors including William Faulkner and Alice Walker, a new chapter on reader response theory that shows students how to use their personal responses to literature while avoiding typical pitfalls, new sections on cultural criticism for each chapter, new further practice and further reading sections for each chapter, a useful next step appendix that suggests additional literary titles for extra practice. Comprehensive, easy to use, and fully updated throughout, *Using Critical Theory* is the ideal first step for students beginning degrees in literature, composition, and cultural studies.

An Introduction to the Literature of the Old Testament Samuel Rolles Driver, 1891 **FAST**

Grading Douglas Reeves, 2016-04-08 Embrace effective grading procedures that have the power to reduce failure rates, improve student discipline, encourage learning, and enhance morale. In this three-part guide, the author presents practical strategies teachers and administrators can use to ensure their grading practices center on four essential criteria: fairness, accuracy, specificity, and timeliness. Apply case studies, real-world feedback models, and interactive reflection questions to gain support for grading reform, navigate implementation challenges, and more. Benefits: Discover effective guides to resolving student behavior problems, tardiness, and academic dishonesty. Learn about the five mistakes educators often make that cause

grading reform to fail Understand how to gain the support of stakeholders for grading reform even when opinions differ Study how bad grading practices waste teachers time and how improved practices can save time Consider the experiences of schools that have tackled grading challenges Reflect on grading practices and plan improvements using exercises in every chapter Contents Introduction FAST Grading Fair Accurate Specific and Timely Part I Building Relationships with Teachers Parents and Communities 1 Preparing for FAST Grading 2 Finding Common Ground in the Grading Debate 3 Gaining Teachers Perspectives on Grading Part II Implementing FAST Grading and Improving Best Practices 4 Establishing FAST Grading 5 Implementing Time Saving Strategies for Busy Teachers 6 Grading Student Behavior Part III Considering FAST Feedback Throughout Schools Systems and Communities 7 Learning from Physical Education and the Arts 8 Considering the Contexts of Teaching and Leading
