West With The Night:

West with the Night Beryl Markham, 2022-06-21 West with the Night is a memoir by British born author aviator and equestrian Beryl Markham Friend and fellow author Ernest Hemingway once wrote to his editor Maxwell Perkins asking Did you read Beryl Markham s book West with the Night bloody wonderful work Markham was one of if not the first female bush pilots in Africa and her memoir details adventures in Kenya with a unique perspective both from the ground and the sky Markham was born in the county of Rutland in Midlands England to Charles and Clara Clutterbuck in October of 1902 Two years later her father took a chance and moved their family to untouched bush in the Rift Valley one hundred miles from Nairobi to farm and train horses Her mother Clara found the hard work insufferable and abandoned her family to return to England Markham s father was left to care for her and she quickly became the proverbial wild child She learned how to ride a horse before she walked her first language was Swahili and she spear hunted with her best friend Kibii the African bush became her playground Her father eventually abandoned her too when she was sixteen and fled to Peru after going bankrupt selling his farm and possessions piece by piece Sadly he also sold her his daughter to their neighbor Jock Purves Embarrassed and angry Markham scraped her way to becoming the first female licensed horse trainer in Kenya at 19 She divorced Purves and her reputation to produce winning racehorses spread fast By 24 her horse Wise Child won the prestigious St Ledger race She would continue to train winning racehorses the rest of her life Markham tried her luck at marriage a few times but she fell in love instead with aviation She began as a bush pilot carrying mail and passengers around Kenya She took men on safari above the ground in search of wild game she even assisted in transporting medical supplies to gold miners Yet she continued to crave more more adventure more challenges more flying In 1936 at the age of 33 Markham became the first female pilot to fly solo across the Atlantic from east to west This was a particularly ambitious undertaking because headwinds and storms were considered dangerous in this direction In her memoir Markham describes her love affair with flying as a momentary escape from the eternal custody of the earth Many of her chapters capture the intensity and adrenaline rush that Markham experienced while flying as well as the stillness and quietness that came with being grounded Hunting lions in the Rongai Valley searching for a lost fellow aviator s plane at night watching herds of wildlife spread out across the land beneath her adventures that intersect with nostalgic first memories of her father s farm and fond memories of her young adult life in Africa Beryl Markham s memoir earned a place in National Geographic s list of The 100 Greatest Adventure Books of All Time Additionally during World War II the U S Army distributed West with the Night to Soldiers overseas as part of the Armed Services initiative to provide entertainment to troops specifically adventure novels and stories In 1980 American restaurateur George Gutekunst after reading Hemmingway s letters detailing the work of Markham as brilliant tracked down a copy in the library In 1983 he had West with the Night re published and it sold over a million copies Critics called it a lost masterpiece Markham was able to see her work s success prior to dying peacefully in Nairobi in 1986

C. Clark, 2016-04-11 Driving across the country in the early twentieth century was high adventure In 1925 Willie Chester Clark and his family piled into a modified Chevrolet touring car affectionately named Leaping Lena and took off for the West Clark s account of the journey will acquaint readers with cross country travel at a time when Americans were just inventing the road trip Editor David Dary discovered a copy of Clark s account among his grandfather s personal papers Dary introduces the tale of how Leaping Lena clocked some 12 000 miles in five months starting from West Virginia and traveling to the Northwest down the Pacific Coast to Southern California through the Desert Southwest and back home via the Southern Plains Among the highlights of the trip were visits to Yellowstone Yosemite Mount Rainier and Crater Lake Writing while sitting on a camp stool his typewriter resting on the car s front bumper W C Clark turned out lively descriptions of the family s experiences with all the wit and panache of his later journalism career Clark details road conditions the quality of accommodations the cost of gas and food user fees at national parks and the number and variety of fellow tourists his party encountered He also describes the pitfalls of life on the road Flat tires were a daily occurrence mechanical breakdowns almost as frequent and the crude mostly unpaved roads were named but not yet numbered and only intermittently marked

And if the Clarks were not lucky enough to stay with friends they had to camp Framed by an introduction and annotations that set the story in context and illustrated with photographs of gas stations roadside attractions and roadsters typical of the day Touring the West with Leaping Lena gives a firsthand glimpse into the early days of cross country automobile trips Readers will enjoy its historical detail even as they realize that when it comes to family road trips some things haven't changed *A Biographical Dictionary of Silent Film Western Actors and Actresses* George A.
