Wetbones A Novel:

Wetbones John Shirley, 2015-10-06 A flesh and soul devouring addiction runs rampant through the dark playground of the Hollywood elite in this tale of horror from a Bram Stoker Award winner Welcome to Los Angeles where every addiction is encouraged Struggling Hollywood screenwriter Tom Prentice can hardly believe that the emaciated and mutilated corpse lying on the morgue slab was once his ex wife Then his roommate s missing brother turns up in a local hospital having sliced open his own chest and legs for some sick inexplicable reason In Oakland the Reverend Garner a recovering addict leaves his ministry in search of his teenage daughter who was last seen in the company of her ghoulish kidnapper And the Los Angeles police are meanwhile baffled in their hunt for the elusive Wetbones serial killer who leaves nothing of his victims behind except a damp grisly pile of bones Though Tom the reverend and the LAPD are on separate quests for answers they are all being led into the darkest shadows of Hollywood where the debauchery never ceases and pleasure is a drug that devours human flesh blood and sanity But the true source of the all consuming addiction is the most horrifying revelation of all for it is not of this rational Earth From International Horror Guild Award winning author John Shirley the acclaimed splatterpunk classic Wetbones combines the monstrous inventiveness of H P Lovecraft with the exquisite excess of Clive Barker A true masterwork of modern terror it s decidedly not for the faint of heart

Wetbones John Shirley, 1991 The gruesome death of his ex wife from an apparent drug overdose accidentally puts Tom Prentice a screenwriter on the trail of a serial killer able to control the minds of his victims

Wetbones John Shirley, 2010-08 WETBONES the acclaimed and viscerally powerful work by John Shirley is being released for the first time in a new improved form Fully revised and updated edition First fully author approved text ever released INCLUDES a Brand New companion story Never before published Down on his luck screenwriter Tom Prentice is called to the morgue to identify the body of his ex wife Amy She s recognizable but her body is also 50 pounds underweight and mutilated Disturbed but trying to go on with his life Prentice pitches a cop show to studio head Arthwright and is surprised when the exec is interested in the run of the mill idea Arthwright s real motives will emerge into hideous view along with soul consuming astral creatures camouflaging themselves behind greed the seduction of Hollywood power and pleasure The secret of the Akishra writhes in the background until it squirms into plain horrific view Meanwhile Reverend Garner a recovering addict who runs a ministry in Oakland discovers that his teenage daughter Constance is missing She has been kidnapped by Ephram Pixie a ghoulish serial murderer with connections to the cult of the Akishra Pixie uses psychic pressure to turn Constance into a pleasure addict of the sickest sort And Mitch Teitelbaum the missing brother of Tom Prentice s roommate Jeff ends up in a hospital after deliberately and gruesomely mutilating himself under the influence of the Akishra Much of the action spins out from a mysterious on going underground party which goes on apparently endlessly at the fenced in residence of The More Man and his Malibu film folk legendary Hollywood Babylon type parties connected with Arthwright living for decades as psychic vampires feeding on pleasure and the gradual destruction of

the human soul Wetbones is a streetname for victims of their former ally Ephram Pixie the residue of his latest sensuous atrocity with Constance they re skinless package of freshly bloodied bones All the storylines come devastatingly together like wet bones lashed together in the apocalyptic climax A contemporary horror tale with Lovecraftian overtones a subtle message about the horrors of addiction which may all be inspired and directed by entities from a higher and very nasty plane of existence and a look at the dark underside of Hollywood written by someone who knows WETBONES is wrapped in a speed charged action tale with enough gruesome violence and horrific action to remind readers that John Shirley was recognized from early on as one of the mainsprings of the Splatterpunk movement The content is very graphic and not for the faint of heart a glimpse into the abyss only to discover the abyss looking hungrily back
