## **What Am I Doing Here:**

*Who Am I? Where Am I? What Am I Doing Here?* A. F. Kenton, 2019-12-10 This book is unusual in a number of ways It is supposedly a text book but it will probably never be used as one in any major educational school system The book was also intended as a guide for determining one s reality which effects moral behavior Yet no hard and fast rules are ever mentioned but one What this book does do is to question everything that we accept in this physical reality as tangible and says that it is first intangible Can the average person accept that responsibility

*What Am I Doing Here?* Robb Jetty, 2022-02-26 How many times have you asked the question what am I doing here Grandpa s answer is interesting and thought provoking Whether or not you agree with his answer he gives us a lot to think about He believes everyone needs to answer the question or else they will be manipulated by others as they go through life Being manipulated by others is not a happy place The train ride of life moves rapidly down the tracks and it seems to be moving so fast that you can t get off if and when you realize you should Answer his question and you can control which train to ride and get on and off the train ride when you want to not when someone else tells you to

*What Am I Doing Here?* Abner Dean, 2016-10-11 What Am I Doing Here is a startling masterwork by one of the forgotten innovators of American comics In 1945 after more than a decade as a commercial illustrator drawing advertisements and cartoons for Life Time Esquire Newsweek and many other publications Abner Dean invented a genre all his own One might call it the Existential Gag Cartoon He used the elegant draftsmanship and single panel format of the standard cartoons of the day but turned them to a deeper stranger purpose With an inimitable mixture of wit earnestness and enigmatic surrealism Dean uses this most ephemeral of forms to explore the deepest mysteries of human existence What Am I Doing Here Dean s second book and perhaps his best depicts a world at once alien and familiar in which everyone is naked but acts like they re clothed a world of club wielding commuters and byzantine inventions secret fears and perverse satisfactions Through it all strolls or crawls or floats or stumbles Dean s unclad Everyman searching for love happiness and the answers to life s biggest questions This NYRC edition is a jacketed hardcover with extra thick paper and features brand new restored scans of the original artwork throughout
