## **Working Of Social Work:**

*Improving Children's Services Networks* Marilyn Hughes, Jane Tunstall, Jane Aldgate, 2006-10-20 This book details and evaluates expert research into the developing role of family centres in the light of current political and social trends including A vital addition to the literature on child care services *Improving Children's Services Networks* is essential reading for social care practitioners and students and government policy makers *Encyclopedia of Canadian Social Work* Francis J. Turner, 2006-01-01 All of us as Canadians are touched throughout our lives by some aspect of social welfare either as recipients donors or taxpayers But despite the importance of the social network in our country there has been no single source of information about this critical component of our society Even professionals in the field of social work or social services have not had a comprehensive volume addressing the myriad features of this critical societal structure The *Encyclopedia of Canadian Social Work* fills this need Over five hundred topics important to Canadian social work are covered written by a highly diverse group of social workers covering all aspects of the field and all areas of the country Practitioners policy makers academics social advocates researchers students and administrators present a rich overview of the complexity and diversity of social work and social welfare as it exists in Canada The principal finding from this project underscores the long held perception that there is a Canadian model of social work that is unique and stands as a useful model to other countries The *Encyclopedia of Canadian Social Work* will be an important source of information both to Canadians and to interested groups around the world The *Encyclopedia of Canadian Social Work* is available in e book version by subscription or from university and college libraries through the following vendors Canadian Electronic Library Ebrary MyiLibrary and Netlibrary *Reflections on Valuing Wellbeing in Higher Education* Narelle Lemon, 2022-08-29 This book focuses on the lived experiences of higher education professionals working in the face of stress pressure and the threat of burnout and how acts of self care and wellbeing can support develop and maintain a sense of self In considering the place of self care in higher education we are challenged with the tension that exists when it comes to the valuing of self care and our individual and collective wellbeing In *Reflections on Valuing Wellbeing in Higher Education* authors present and explore the ways in which they manage and reframe their wellbeing and self care through mindfulness compassion connection to breath reflection demonstrating individual and collective embodiment and resistance to neoliberalism and environmental destruction Covering various contexts of higher education such as learning and teaching research leadership and engagement this book offers practical strategies grounded in literature and evidence based research The self in self care is relational It is not just about self We need others for inspiration motivation and indeed the act This book will be of great interest to professionals and researchers specifically interested in studies in higher education wellbeing and or identity as well as those navigating a career in higher education **Index of NLM Serial Titles** National Library of Medicine (U.S.), 1979 A keyword listing of serial titles currently received by the National Library of Medicine **The Workings of the Indeterminate-sentence Law**
