## **Working On God:**

*Working on God* Winifred Gallagher, 2000-04-18 Millions of Americans are finding it more and more difficult to apply the traditional demands of organized religion to their lives and yet a complete absence of spirituality leaves them uneasy Working on God is a book for and about such intelligent independent people who are seeking to reconcile their spiritual yearnings with their skeptical intellects Winifred Gallagher a behavioral science reporter began her investigation of religion in our postmodern age with research and interviews and soon discovered a vast quiet revolution under way among ordinary men and women grappling with the sacred Both Gallagher s brilliant journalistic inquiry and her very personal journey unfold over time spent in a Zen monastery and a cloistered convent in small group discussions and healing rituals in a Conservative synagogue that shares spaces with a Christian church and in the birthplace of the New Age Written with humor empathy and a rigorous curiosity Working on God breaks new ground in depicting the broad based spiritual movement that is transforming many lives

**God Loves Your Work** Larry Peabody, 2022-03-03 If you know God loves your work you can as Paul put it work at it with all your heart But too often even Christians find it hard to engage fully with what occupies them for hours every day This book will help you relate your work to God s eternal kingdom purposes Here you will find not just one or two but several biblical reasons for getting up and going to work During your lifetime you will spend perhaps 100 000 hours working in paid or unpaid work Will you see spiritual significance in those hours In the end will they really matter These easy to read chapters will help you view your daily work within a new and much larger perspective For example what if you were to begin seeing your work as a worship offering that God gladly receives Or what if you were to discover how he intends to use your work to further your own spiritual growth Get set to move from Thank God it s Friday to Wonderful it s Monday again

Practical Steps to Set God'S Grace at Work in Your Life Gbenga Oduniyi, 2014-05-12 Jesus Christ came into this world to bring Gods influence into mans situations and circumstances so that man may regain his God given ability dominion which was once lost in the Garden of Eden I believe the letter g in the word grace stands for God When you remove that letter g then what you will have is race Running the race of life without God can be frustrating it is a life of hardship Jesus therefore came to pave way for man to combine divinity with humanity in order to conquer satan and the world system We live under grace dispensation but not all Christians enjoy the grace of God This book therefore teaches us the basic steps attitudes characters and decisions we must take in order to bring to manifestation the grace of God that is already placed upon our lives through redemption The word of God says Arise shine for thy light is come Isaiah 60 1 The light is there but it will not shine without an input from you if the light must shine then you must arise In the same vein grace to become all that God programmed you to become in life is upon your life but there are some practical steps you will need to take that will automatically set grace at work in your life

workers of the greatness and the glory of the work in which God gives a share As we see that it is God s own work that we have to work out and that in our working His glory rests on us and we glorify Him then we shall count it our joy to live only and wholly for His work The purpose of this book at the same time is to help those who complain or perhaps do not even know enough to complain that they are apparently laboring in vain by helping them discover what may be the cause of so much failure God s work must be done in God s way and in God s power It is spiritual work to be done by spiritual men in the power of the Spirit The clearer our submission to God s laws of work the surer and richer our joy and reward in it will be

Macpherson's work at the Home of industry, Spitalfields, and in Canada** Clara Maria S. Lowe,1882      **Genesis, Science, and the Beginning** Benjamin D. Smith,2018-08-29 Christian apologist Ben Smith believes that the creation account in Genesis 1 can be read literally and historically as a real week of seven normal days without contradicting modern astronomy and geology regarding the age of the universe and Earth Many Christians are divided over how to reconcile Genesis with modern science and this book evaluates all of the major options ultimately concluding that the Bible allows for an old universe and Earth in a way that is also scientifically accurate A former Young Earth creationist Smith now believes that the age of creation is not specified in the Bible and therefore scientists are free to answer the question He believes that Christians should not hide from the controversy over the age of the Earth but should take a fresh look at the text and be impressed with its accuracy

*The Works of John Knox* John Knox,1895      Colossians David J. Landegent,2017-06-06 Some people cant see the forest for the treesthey get so bogged down in details that they lose sight of what its all about Others cant see the trees for the forestthey miss the wondrous details all around them So why not look instead at both the forest and the trees This commentary on Pauls letter to the Colossians guides you in doing just that Even though we will be exploring ancient biblical cultures and learning plenty about the Greek language no prior academic training is needed Technical terms have been set aside Instead with everyday language we will discover the big picture and revel in the fine details of this stunning letter amazed by how God is still speaking these same words today to contemporary personal and social challenges We will not then be tourists rapidly zipping through Colossians as if on a monotonous interstate highway Instead we will be hiking our way through this letter step by step phrase by phrase finding joy in Gods truth and growing in our faith Come and join the
