Thee Truth Bonga Makholwa, 2015-06-15 The truth is that there is something within you that is not in harmony with what you believe Your will is not in harmony with what should be There is something within you that sees the world and knows that these answers are not leading to what actually should be All through life you have chosen to look at the world as you are and what your circumstances told you You never took time to look at it as it is and at its true nature for I tell you the painful truth life is really simple but you insist on complicating it For a long time you have listened to outside noises and ignored the voice inside you You have forgotten the person you were before the world told you who you are for I say to you take a look at the world closely Now see what I see feel what I feel understand what I understand and perceive what I perceive According to religion 99 percent are going to heaven According to the Son of Man a mere 1 percent is going to hell For I tell you the truth not all you have been told is what truly is for some people have been fooled most of this time but I tell you the truth not all of the people can be fooled all of the time For a long time you have searched for the door to the truth only to realize that you had the key all along for I tell you the truth you are what you think not what you think you are Think about it Now think about it
