

The EXPLORER

KATHERINE RUNDELL

CREATIVE WRITING RESOURCE PACK FOR TEACHERS

Dear teachers and librarians,

*This resource pack is based on **The Explorer**, a new book from the award-winning author of **The Wolf Wilder**, Katherine Rundell. It is a modern classic of an adventure that will not only transport you away from the classroom to the Amazon, but also spark the imaginations of all of the young explorers in your class. (And yes, we know there are many!) The lessons in this pack serve as a mini scheme of work with literacy objectives, providing material for five or more lessons – perfect for classes of any ability in years five to six. Even better, the final outcome of these lessons is for each child in your class to let their creative talents loose and produce some writing of their own – following in Katherine Rundell’s adventurous footsteps!*

If all this sounds as exciting to you as it does to us, it’s time to pack your bags and sharpen those survival instincts. Your class’s creative journey starts here ...

THE AIM

This resource pack is designed for children aged 9–11. It is based on *The Explorer* by Katherine Rundell and invites everyone in your class to explore, in every sense of the word! The lessons included have been designed as sequential activities and can be taught as whole units or as individual activities to be dipped in and out of. Each activity will guide pupils through the different elements of creative writing on the topic of ‘survival’, giving them the skills and confidence they need to draft, structure and write a creative piece of their own. We hope you enjoy the journey!
