Chronicles of Oklahoma, 2007

Forget the Alamo Bryan Burrough, Chris Tomlinson, Jason Stanford, 2022-06-07 A New York Times bestseller Lively and absorbing The New York Times Book Review Engrossing Wall Street Journal Entertaining and well researched Houston Chronicle Three noted Texan writers combine forces to tell the real story of the Alamo dispelling the myths exploring why they had their day for so long and explaining why the ugly fight about its meaning is now coming to a head Every nation needs its creation myth and since Texas was a nation before it was a state it's no surprise that its myths bite deep There's no piece of history more important to Texans than the Battle of the Alamo when Davy Crockett and a band of rebels went down in a blaze of glory fighting for independence from Mexico losing the battle but setting Texas up to win the war However that version of events as *Forget the Alamo* definitively shows owes more to fantasy than reality Just as the site of the Alamo was left in ruins for decades its story was forgotten and twisted over time with the contributions of Tejanos Texans of Mexican origin who fought alongside the Anglo rebels scrubbed from the record and the origin of the conflict over Mexico's push to abolish slavery papered over *Forget the Alamo* provocatively explains the true story of the battle against the backdrop of Texas's struggle for independence then shows how the sausage of myth got made in the Jim Crow South of the late nineteenth and early twentieth century As uncomfortable as it may be to hear for some celebrating the Alamo has long had an echo of celebrating whiteness In the past forty some years waves of revisionists have come at this topic and at times have made real progress toward a more nuanced and inclusive story that doesn't alienate anyone But we are not living in one of those times the fight over the Alamo's meaning has become more pitched than ever in the past few years even violent as Texas's future begins to look more and more different from its past It's the perfect time for a wise and generous spirited book that shines the bright light of the truth into a place that's gotten awfully dark

Chronicles of the Builders of the Commonwealth Hubert Howe Bancroft, 1892

Coacoochee's

Bones Susan A. Miller, 2003 A man born to an elite family Coacoochee used the power of his status in creative ways and Miller uses his career to explain his leadership in terms of Seminole knowledge and governmental structure showing that Coacoochee's concept of leadership was linked as closely to spiritual as to political or military imperatives Her account offers a more nuanced understanding of the Seminole cosmos particularly the reality governing Coacoochee's awareness of his own tribe's circumstances and of long standing borderlands disputes She draws on Seminole American and Mexican sources to help untangle the histories of various emigrant tribes to the borderlands She also examines the status of Seminoles today in light of the suppression of Coacoochee's story including modern Seminole's attempts to recover their lost homeland at El Nacimiento BOOK JACKET *Chronicles*, 2004 (Re)mapping the Latina/o Literary Landscape Cristina Herrera, Larissa M. Mercado-López, 2016-08-10 This book broadens the scope of Latina/o criticism to include both widely read and understudied nineteenth through twenty first century fictional works that engage in critical discussions of gender race sexuality and identity The essays in this collection do not simply seek inclusion for the texts they critically discuss but suggest that we more thoughtfully consider the utility of mapping whether we are mapping land borders time migration or connections and disconnections across time and space Using new and rigorous methodological approaches to reading Latina/o literature contributors reveal a varied and textured landscape challenging us to reconsider the process and influence of literary production across borders **Texas Chronicles** Darwin Payne, 1994-01-01 Money for Nothing Sir Pelham Grenville Wodehouse, 1952-01-01 The picturesque village of Rudge in the Vale dozed in the summer sunshine Along its narrow High Street the only signs of life visible were a cat stropping its backbone against the Jubilee Watering Trough some flies doing deep breathing exercises on the hot window sills and a little group of serious thinkers who propped up against the wall of the Carmody Arms were waiting for that establishment to open At no time is there ever much doing in Rudge's main thoroughfare but the hour at which a stranger entering it is least likely to suffer the illusion that he has strayed into Broadway Piccadilly or the Rue de Rivoli is at two o'clock on a warm afternoon in July You will find Rudge in the Vale if you search carefully in that pleasant section of rural England where the gray stone of Gloucestershire gives place to Worcestershire's old red brick Quiet in fact almost unconscious it nestles beside the tiny river Skirme and lets the world go by somnolently content with its Norman church its eleven public houses its Pop to quote the Automobile Guide of 3 541 and its only effort in the direction of modern progress the emporium of Chas Bywater Chemist Chas Bywater is a live wire He takes no afternoon siesta but works while others sleep Rudge as a whole is inclined after luncheon to go into the back room put a handkerchief over its face and take things easy for a bit But not Chas Bywater At the moment at which this story begins he was all bustle and activity and had just finished selling to Colonel Meredith Wyvern a bottle of Brophy's Paramount Elixir said to be good for gnat bites Having concluded his purchase Colonel Wyvern would have preferred to leave but Mr Bywater was a man who liked to sweeten trade with pleasant conversation Moreover this was the first time the Colonel had been

inside his shop since that sensational affair up at the Hall two weeks ago and Chas Bywater who held the unofficial position of chief gossip monger to the village was aching to get to the bottom of that With the bare outline of the story he was of course familiar Rudge Hall seat of the Carmody family for so many generations contained in its fine old park a number of trees which had been planted somewhere about the reign of Queen Elizabeth This meant that every now and then one of them would be found to have become a wobbly menace to the passer by so that experts had to be sent for to reduce it with a charge of dynamite to a harmless stump Well two weeks ago it seems they had blown up one of the Hall s Elizabethan oaks and as near as a toucher Rudge learned had blown up Colonel Wyvern and Mr Carmody with it The two friends had come walking by just as the expert set fire to the train and had had a very narrow escape Thus far the story was common property in the village and had been discussed nightly in the eleven tap rooms of its eleven public houses But Chas Bywater with his trained nose for news and that sixth sense which had so often enabled him to ferret out the story behind the story when things happen in the upper world of the nobility and gentry could not help feeling that there was more in it than this He decided to give his customer the opportunity of confiding in him

The Descendants of George Washington Weatherby, 1777-1865 ,2001 **Abolitionist Cosmopolitanism: Reconfiguring Gender, Race, and Nation in American Antislavery Literature** Pia Wiegink,2022-09-19 Abolitionist Cosmopolitanism redefines the potential of American antislavery literature as a cultural and political imaginary by situating antislavery literature in specific transnational contexts and highlighting the role of women as producers subjects and audiences of antislavery literature Pia Wiegink draws attention to locales authors and webs of entanglement between texts ideas and people Perceived through the lens of gender and transnationalism American antislavery literature emerges as a body of writing that presents profoundly reconfigured literary imaginations of freedom and equality in the United States prior to the Civil War **Iowa Journal of History** ,1929 **Editor & Publisher** ,1915 The fourth estate **A School History of the United States** Nathaniel Wright Stephenson,Martha Tucker Stephenson,1921 A New Syllabus of American History, 1492-1925 Homer Carey Hockett,Arthur Meier Schlesinger,1925 Laboratory Manual in American History Howard Eugene Wilson,1928 **The Iowa Journal of History and Politics** ,1929
