Strategic Communication:

Strategic Communication Jesper Falkheimer, Mats Heide, 2022-08-17 This textbook provides an overview of the core concepts theories and methods in strategic communication using examples from research and experiences from practice Strategic Communication begins by explaining the fundamental concepts related to communication organizations and strategy and then explores the communication processes within leadership reputation crisis and change The authors work to present a framework for the future underpinned by the concept of Communicative Organizations The content of this 2nd edition has been fully updated to incorporate the latest research and practice examples including a new chapter on The Future of Strategic Communication The new edition also features enhanced pedagogical features to aid learning such as key takeaways and new international case studies and examples throughout After reading the book the student or reader will be able to define and reflect upon strategic communication as an academic field and professional practice describe relevant theories and apply these to communication problems It is primarily aimed towards Undergraduate students studying Strategic Communication Corporate Communications Public Relations and Marketing as well as reflective practitioners looking to gain a more thorough and applied introduction to the field

Future Directions of Strategic Communication Howard Nothhaft, Kelly Page Werder, Dejan Verčič, Ansgar Zerfass, 2020-05-21 This book examines the state of strategic communication as a discipline and how it has emerged as a unique area of scholarship in the beginning of the 21st century Strategic communication encompasses all communication that is substantial for the survival and sustained success of entities like corporations governments non profits social movements and celebrities A major aspect of the field is the purposeful use of communication by an organization to engage in conversations of strategic significance to its goals The contributions in this book provide unique insights make compelling arguments and highlight promising areas of scholarship in strategic communication Presented in four parts the chapters explore the emergence of strategic communication its conceptual foundations its expanding body of knowledge and the foundation for further development and new directions in the field Of interest to those studying communication from the perspectives of communication science management theory organizational studies or business administration this volume will also be useful for readers who are new to strategic communication and who are interested in the field for its new avenues of research This book was originally published as a special issue of the International Journal of Strategic Communication

Social Media for Strategic Communication Karen Freberg, 2021-07-02 Social Media for Strategic Communication Creative Strategies and Research Based Applications Second Edition teaches students the skills and principles needed to use social media in persuasive communication campaigns This book combines cutting edge research with practical on the ground instruction to prepare students for the real world challenges they ll face in the workplace By focusing on strategic thinking and awareness this book gives students the tools they need to adapt what they learn to new platforms and technologies that may emerge in the future A broad focus on

strategic communication from PR advertising and marketing to non profit advocacy gives students a broad base of knowledge that will serve them wherever their careers may lead The Second Edition features new case studies and exercises and increased coverage of diversity and inclusion issues and influencer marketing trends *Leading the Narrative* Mari K Eder,2011-12-15 *Leading the Narrative* is a primer on the art and science of strategic communication This book covers the foundation of communications strategies as well as solid tactics techniques and procedures for media relations campaign planning crisis communication and strategic communications planning It is both a philosophy of communication and a solid practical reference manual Like no other book on public relations public diplomacy or media operations and community outreach it offers a compelling look at how all communication processes can be made to function more efficiently and with greater effectiveness The ties are those of intention and purpose both leading to meaningful and purpose driven communication efforts whether conducted by governments organizations or military units *Persuasion and Power* James P. Farwell,2012-11-27 Now more than ever in the arenas of national security diplomacy and military operations effective communication strategy is of paramount importance A 24 7 television radio and Internet news cycle paired with an explosion in social media demands it According to James P Farwell an expert in communication strategy and cyber war who has advised the U S SPECIAL OPERATIONS COMMAND and the Department of Defense and worked nationally and internationally as a media and political consultant this book examines how colorful figures in history from Julius Caesar to Winston Churchill Napoleon to Hugo Chavez Martin Luther to Barack Obama and Ronald Reagan have forged communication strategies to influence audiences Mark Twain said that history doesn t repeat itself but rhymes In showing how major leaders have moved audiences Farwell bears out Twain s thesis Obama and Luther each wanted to reach a mass audience Obama used social media and the Internet Luther used the printing press But the strategic mindset was similar Hugo Chavez identifies with Simon Bolivar but his attitude towards the media more closely echoes Napoleon Caesar used coins to build his image in ways that echo the modern use of campaign buttons His triumphs enormous parades to celebrate military victories celebrated his achievements and aimed to impress the populace with his power and greatness Adolph Hitler employed a similar tactic with his torchlight parades The book shows how the US government s approach to strategic communication has been misguided It offers a colorful incisive critical evaluation of the concepts doctrines and activities that the US Department of Defense and Department of State employ for psychological operations military information support operations propaganda and public diplomacy *Persuasion and Power* is a book about the art of communication strategy how it is used where and why Farwell s adroit use of vivid examples produce a well researched entertaining story that illustrates how its principles have made a critical difference throughout history in the outcomes of crises conflicts politics and diplomacy across different cultures and societies *Strategic Communications in Russia* Katerina Tsetsura,Dean Kruckeberg,2020-09-07 This book serves as a reader exploring the scholarly inquiry professional education and practice of Russian public relations and

advertising in multiple contexts It examines significant parts of what can be encompassed under the umbrella of strategic communications including public relations and advertising rather than investigating all areas of communication in Russia Within the context of Russia s history culture and ideology the book begins by tracing the development of communication as a field as a discipline and as a social institution in Russia It then samples current studies in Russian strategic communications examining this professional specialization s current state and likely future directions The book s authors are mostly Russians who are experts in their specializations Chapters are predicated upon the premise that this is an exciting time of great opportunity for Russian strategic communications However in Russia exploiting such opportunities for strategic communications scholarship education and professional practice presents challenges within the context of that nation s cultural historical and ideological heritage that presently may be unique The book concludes with a prognosis of the future of Russian strategic communications The book is recommended reading for a worldwide audience of strategic communications scholars educators students and practitioners Such readers will find the book of interest and of unique value as the book will help them to better understand appreciate and respect Russian strategic communications its genesis and present state

Research Handbook on Strategic Communication Jesper Falkheimer,Mats Heide,2022-12-13 Strategic communication as a research field and a professional practice is becoming increasingly relevant for organizations Bringing together contributions from almost 60 leading international scholars this dynamic Research Handbook on Strategic Communication is a timely contribution to a vivid and developing academic field Strategic Communications in Africa Hugh Mangeya,Isaac Mhute,Ernest Jakaza,2021-12-24 Strategic communication is a pre requisite for the achievement of organisational goals and an effective strategic communication plan is vital for organisational success However systems and models dominant in the West may not necessarily be best suited for the sub Saharan Africa reality where many organisations lack adequate financial resources to develop and implement an effective strategic communication plan This book examines current practices in sub Saharan Africa as well as the challenges faced and the intersection with culture It packages inspiring debates experiences and insights relating to strategic communication in all types of institutions including private and public sector organisations governmental organisations and NGOs political parties as well as social movements in the sub Saharan context It explores how culture is integral to the attainment of strategic communication goals and diverse case studies across socio economic contexts offer insights into the successes of organisations across Africa including Zimbabwe Tanzania Lesotho and Nigeria This unique edited collection is a valuable resource for worldwide scholars researchers and students of strategic communication and organisational studies as well as related fields including public relations advertising political and health communication and international studies **Assessing Organizational Communication** Cal W. Downs,Allyson D. Adrian,2012-04-16 This essential guide offers a detailed framework for assessing communication processes within an organization and using the results to develop improved organizational strategies Presented in clear accessible

prose are the tools of the trade for planning and initiating audits gathering data using a wide variety of methodologies analyzing the findings and preparing effective reports Throughout practical examples drawn from the authors influential work in the field help readers understand the real world applications of the concepts discussed and gain skills for creative problem solving A successor volume to Cal Downs s popular Communication Audits the book has been extensively rewritten with many new topics and two entirely new chapters reflecting today s critical issues and best practices It will serve as both an authoritative primer for human resource and management consultants and a comprehensive text for undergraduate and graduate students in organizational communication

Strategic Planning for Public Relations, Third Edition Ronald D. Smith, 2009-04-20 This innovative and popular text provides a clear pathway to understanding public relations campaigns and other types of strategic communication Implementing the pragmatic in depth approach of the previous editions author Ronald D Smith presents a step by step unfolding of the strategic campaign process used in public relations practice Drawing from his experience in professional practice and in the classroom Smith walks readers through the critical steps for the formative research strategic and tactical planning and plan evaluation phases of the process Offering clear explanations relevant examples and practical exercises this text identifies and discusses the decision points and options in the development of a communication program The cases and examples included here explore classic public relations situations as well as current timely events This third edition includes expanded discussions of ethics diversity and technology integrated throughout the text and has a new appendix addressing media training for clients As a classroom text or a resource for professional practice this volume provides a model that can be adapted to fit specific circumstances and used to improve effectiveness and creativity in communication planning It serves as an accessible and understandable guide to field tested procedures offering practical insights that apply to public relations campaigns and case studies coursework
