One secret-filled island

Two opposing worlds

Three new friends

One life-changing adventure they'll never forget

Olly Summerson runs away from bullies on a school trip to the island of Portland. He soon finds himself hiding out in top secret tunnels under the island where he discovers a portal to another world.

Sibel Jandall finds herself alone and very far from home, having been washed up on the island following a terrible storm. In a strange country and desperate to find her family, Sibel soon comes face-to-face with a fantastic sea creature she thought only existed in storybooks.

April Bottswain skips school to search for treasure after a massive storm. She soon finds two new friends, uncovers a shocking family secret, and travels to a world far beyond anything she could have imagined.

When mysterious sea creatures start arriving on the island, the three new friends must overcome their differences to work together to help each other find family, new homes, and for one of them, unlock their destiny.
