Interdisciplinary Studies in Pragmatics, Culture and Society Alessandro Capone, Jacob L. Mey, 2015-07-31 This volume is part of the series Pragmatics Philosophy and Psychology edited for Springer by Alessandro Capone It is intended for an audience of undergraduate and graduate students as well as postgraduate and advanced researchers This volume focuses on societal pragmatics One of the main concerns of societal pragmatics is the world of language users We are interested in the investigation of linguistic practices in the context of societal practices praxis to use a term used in the Wittgensteinian and other traditions It is clear that the world of users including their practices their culture and their social aims has to be taken into account and seriously investigated when we deal with the pragmatics of language It is not enough to discuss principles of language use solely in the guise of abstract theoretical tools Consequently the present volume focuses explicitly on the interplay of abstract theoretical principles and the necessities imposed by societal contexts often requiring a more flexible use of such theoretical tools The volume includes articles on pragmemes politeness and anti politeness dialogue joint utterances discourse markers pragmatics and the law institutional discourse critical discourse analysis pragmatics and culture cultural scripts argumentation theory connectives and argumentation language games and psychotherapy slurs the analysis of funerary rites as well as an authoritative chapter by Jacob L Mey on societal pragmatics

Pragmatics of Society Gisle Andersen, Karin Aijmer, 2011-12-23 Pragmatics of society takes a socio cultural perspective on pragmatics and gives a broad view of how social and cultural factors influence language use The volume covers a wide range

of topics within the field of sociopragmatics This subfield of pragmatics encompasses sociolinguistic studies that focus on how pragmatic and discourse features vary according to macro sociological variables such as age gender class and region variational pragmatics and discourse conversation analytical studies investigating variation according to the activity engaged in by the participants and the identities displayed as relevant in interaction The volume also covers studies in linguistic pragmatics with a more general socio cultural focus including global and intercultural communication politeness critical discourse analysis and linguistic anthropology Each article presents the state of the art of the topic at hand as well as new research

Developmental and Clinical Pragmatics Klaus P. Schneider, Elly Ifantidou, 2020-08-24 This handbook provides a comprehensive and up to date survey of a wide range of developmental and clinical issues in pragmatics Principally the contributions to this volume deal with pragmatic competence in a native language in a second or foreign language and in a selection of language disorders The topics which are covered explore questions of production and comprehension on the utterance and discourse level Topics addressed concern the acquisition and learning teaching and testing assessment and treatment of various aspects of pragmatic ability knowledge and use These include for example the acquisition and development of speech acts implicatures irony story telling and interactional competence Phenomena such as pragmatic awareness and pragmatic transfer are also addressed The disorders considered include clinical conditions pertaining to children and to adults Specifically these are among others autism spectrum disorders Down syndrome and Alzheimer s disease
