Smith, 1984 After Life Carol Tedesco, Jane Newhagen, Roberta Perkins, 2025-02-21 After Life is a sensitively compiled collection of images from the Key West City Cemetery Some of the subjects are iconic and familiar Others are hidden in quiet corners or as fleeting as a cloud blowing before the sun All are memorable As you reflect on them you will smile and maybe shed a tear honoring those who have gone before to make Key West the unique place it has always been and is today Photographers Carol Tedesco and Roberta DePiero have caught the spirit and shapes of the Key West graveyard from morning dew until sunset and placed the pictures on the pages of this artistic book with remarkable attention to composition tone and harmony The images are gently bound together with a ribbon of prose created by historical novelist Jane Newhagen **Forgotten Heroes** William Wilbanks, 1998 The stories of 117 officers from the years 1840 through 1925 who were killed in the line of duty Haunted Florida Roadside Attractions Heather Leigh, 2024-08-05 Author Heather Leigh guides readers on a spine tingling tour through Florida s haunted roadside attractions Florida roadways teem with amusements designed to extract a few bucks from weary travelers passing through While most visitations are brief some are eternal Indeed many of these Sunshine State amusements are inhabited by spirits who make their presence known Blue beams ensnare tourists at the UFO Mecca that is Shoreline Park in Gulf Breeze A bevy of specters can t stop performing for guests at the Ringling Brothers Museum in Sarasota Visitors to the are advised to be on their best behavior when they happen upon the infamous haunted doll at the East Martello Museum in Key West the doll Robert is known to bring misfortune to those who disrespect him **National Geographic Traveler: Miami and the Keys, Fourth Edition** Mark Miller, 2012 A guide to traveling in Miami and the Florida Keys that provides information on the region s historical landmarks popular attractions nightlife restaurants hotels shops and activities with detailed maps and complete walking and driving tours Benjamin Lightbourne/Lightburn of Westmoreland County, Pennsylvania and His Descendants Robert C Lightburn, 2019-03-16 I first became interested in genealogy when I was about twelve It was then that my paternal grandmother first introduced me to a book entitled Genealogy of the Fell Family in America Descended from Joseph Fell This book which was published in 1891 included my grandfather Charles McConnell Lightburn I was struck by the time span covered by the book nearly three hundred years and was fascinated by the fact that all of the people in that

book were related to one another and to me either by blood or marriage My grandmother later gave me that book and it became the first book in my genealogical library My grandfather and my great aunt Mary told me that their father had fought for the North during the Civil War by the side of his older brother who was a brigadier general This fascinated me They also told me that there was a town in West Virginia called Lightburn I couldn't wait to find it on a map My own genealogical research did not begin until the late 1970s when I requested the Civil War records of my great grandfather Calvin Luther Lightburn and his brothers from the National Archives During the 1980s I continued my research albeit at a very low level of activity It was not until the early 1990s when I moved to the Washington DC area that I became intensively involved in some might even say addicted to genealogy The resources in the Washington DC area are extensive and I ended up spending many happy and sometimes frustrating hours conducting research in the National Archives Library of Congress and the library of the Daughters of the American Revolution By 1999 I had amassed a great deal of genealogical information most of which was stuffed in cardboard boxes I was encouraged to put what I had on paper by Faye M Brown Lightburn who had published her book Revolutionary Soldier Samuel Brown and Some of his Family in 1993 So after attending several related sessions at the National Genealogical Society Conference in the States which was held that year in Providence Rhode Island I finally screwed up my courage and plunged in I published the original book in 2003 This book is the second and probably last edition
