## **The Last Call:**

The Last Call J. King, 2021-11-22 The title of this book can be better understood by the world than the church The church is familiar with the altar call a pleading almost a begging for the sinner to come and testify I can say firsthand that Jesus did not do altar calls I understand the method of an altar call is to give someone a chance to make an open confession after the Word is preached However this violates scripture The Word of God says in Romans 10 9 if thou shalt confess with thy mouth the Lord Jesus and shalt believe in thine heart that God hath raised him from the dead thou shalt be saved The setting in which one chooses to grab hold of salvation does not matter Last call is a term used in bars to get your last drink While participating in the last call at your local tavern you can confess God s name and be saved The name explains itself This book will also be self explanatory It is intended to broaden the perspective of the believer along with opening the mind of anyone who is seeking truth amidst watered down church doctrine

Last Call for the African-American Church Chester Williams, 2014-12-24 Last Call for the African American Church revisits the commandment Jesus left his followers to proclaim the gospel worldwide until his return one that by all accounts is no longer a priority in the

contemporary African American church Despite the presence of euphoric praise and worship celebrations and the proliferation of diverse ministries it advertises as cutting edge the implosion of missions has occurred in this church s pulpits and pews Selected biblical foundations of missions are provided for those new to the parlance and for others needing a refresher course Along with conventional missions distinctions Chester Williams logs some concepts in the glossary he himself has constructed for readers and for collegial review They include the feminization of missions rummage sale missions missions without Jesus and window dressing missions For the most part these concepts represent a radical departure from apostolic missions and are viewed as biblical tinkering and convolution most importantly as obstructions to the Great Commission world harvesting
