The Chinese government's restrictions on the spread of religious teachings in urban areas curtail these practitioners' ability to insert their moral visions into an emerging public sphere. Nevertheless, they succeed at least partially. Fisher argues in creating their own discursive space characterized by a morality of concern for fellow humans and animals and a recognition of the organizational abilities and pedagogical talents of its members that are unacknowledged in society at large. Moreover, as the later chapters of the book discuss by writing, copying, and distributing Buddhist-themed materials, the practitioners participate in creating a religious network of fellow Buddhists across the country, thereby forming a counter-cultural community within contemporary urban China. Highly readable and full of engaging descriptions of the real lives of practicing lay Buddhists in contemporary China, *From Comrades to Bodhisattvas* will interest specialists in Chinese Buddhism, anthropologists of contemporary Asia, and all scholars interested in the relationship between religion and cultural change.

Century Path, 1903 **Translation Series**, 1912 **Day After Disaster** Sara F. Hathaway, 2018-06-12 How fragile everything had been. People walked through life everyday taking it all for granted: their cars, their cell phones, their lattes, their dramatic social issues, and their medical problems. She started her day at her home in the mountains just like any other. There was nothing unusual about making the familiar drive down to Sacramento to go to work. Then in a flash, Mother Nature decided it was time to create a new landscape. Follow the journey of a dynamic young woman, mother and wife, Erika, as she is thrust into a world turned upside down by a series of natural disasters. Alone in a mutilated city, she must navigate the path home back to her family. Not knowing if they are alive or dead, Erika calls upon all of her survival instincts to traverse this broken environment. Will she make it home? Will her family still be alive?
