Tomorrow Maybe:

Tomorrow, Maybe Brian James, 2003 A startling heartfelt PUSH novel from the author of PURE SUNSHINE Fifteen year old Chan lives on the streets She s run away from home and has no intention to go back She doesn t care about anyone or anything until ten year old Elizabeth comes into her life A rough world becomes even rougher when you have someone you care about

Tomorrow Perhaps the Future Sarah Watling, 2023-05-09 A NEW YORKER BEST BOOK OF THE YEAR An extraordinary account of the women artists and activists whose determination to live and to create with courage and conviction took them as far as the Spanish Civil War Now as certainly as never before we are determined or compelled to take sides Nancy Cunard An attempted insurrection a country divided a democracy threatened It was the Spanish Civil War of 1936 surprisingly that Sarah Watling found herself drawn to when confounded by the tumultuous politics of our present day This was a conflict that galvanized tens of thousands of volunteers from around the world to join the fight For them the choice seemed clear either you were for fascism or you were against it Seeking to understand how they knew that the moment to act had arrived Watling sifts through archives for lost journals letters and manifestos discovering a trove of work by writers and outsiders who had often been relegated to the shadows of famous men like Ernest Hemingway and George Orwell She encounters the rookie journalist Martha Gellhorn coming into her own in Spain and the radical writer Josephine Herbst questioning her political allegiances She finds the novelist Sylvia Townsend Warner embracing a freedom in Barcelona that was impossible for queer women back at home in England and by contrast Virginia Woolf struggling to keep the war out of her life honing her intellectual position as she did so She tracks down the stories of Gerda Taro a Jewish photographer whose work had long been misattributed and Salaria Kea a nurse from Harlem who saw the war as a chance to combat the prejudice she experienced as a woman of color Here were individuals seizing an opportunity to oppose the forces that frightened them From a variety of backgrounds and beliefs these women saw history coming and they went out to meet it Yet the reality was far from simple When does tolerance become apathy Where is the line between solidarity and appropriation Is writing about the revolution the same as actively participating in it With profound personal insight Watling reveals that their answers are as relevant today as they were then

Walk Through Tomorrow Karl Zeigfreid, Lionel Fanthorpe, Patricia Fanthorpe, 2014-07-31 Rudolf Mallory was one of the many pathetic pieces of human flotsam on the tide of the 20th century neurosis He was a man who had reached the end of his rope death seemed pleasant by comparison He tried to take the easy way out but something went wrong Unknown to Mallory other men had problems too Separated by vast distances of time and space Rimal citizen of an advanced humanoid society with a strangely different technology had also decided to end it all Time and Space are almost perfect but rare warps and blemishes do exist in the continuum They can produce peculiar events The Englishman from 1963 suddenly found himself on the other side of the galaxy Rimal found himself in England They had been unable to solve their own problems could they solve each other s
