When Trouble Comes:

When Trouble Comes Laurie Fisher, 2018-02-21 For anyone who has experienced turbulence on an airplane it would be true to say that it usually comes without warning and happens quite suddenly Things become a bit chaotic as you experience firsthand a change in pressure which rocks the airplane to and fro causing one to grasp the arm of the seat very tightly lean one's head back close their eyes for a moment and say a prayer Without knowing for sure you in fact trust that the pilot is maintaining his composure and that he has been properly trained skilled and experienced in flying the airplane in any and all kinds of weather Although there are certain safety precautions and standards set in place to protect or safeguard you against the danger of turbulence it is at that point that one comes to the realization how much trust you put in the pilot flying the plane to get you through the phase of turbulence and get you to your destination safely Trouble there is no question about it Everyone at one time or another has been faced with the turbulence it brings whether in health family finances relationships or something else Psalm 34 19 says in the Amplified Bible that many hardships and perplexing circumstances confront the righteous but the Lord rescues him from them all Many times God gets the blame when bad things happen and the god of this world the devil is never seen as the real person to blame Jeremiah 29 11 in the Amplified Bible says For I know the plans and thoughts that I have for you says the LORD Plans for peace and well being and not for disaster to give you a future and a hope Whatever trouble it is that you are going through you can know that you have the victory and that God has not deserted you in your time of need God has an amazing plan for your life and you can trust him and take him at his Word knowing that what he said he will do for you he will do and he will see you through to your final destination **When Trouble Comes**
