Forsyth,Georg H. Eifert,2010-11-01 Your Life on Purpose guides readers through the process of uncovering and acting on the underlying values that can lead them to a sense of purpose Identifying values is a core component of acceptance and commitment therapy ACT but values can often be difficult to define and differentiate from goals *Sun & Ssukgat* Michelle Jungmin Bang,2025-02-25 A charming life changing guide to living a longer happier healthier life rooted in Korean self care From the country scientists predict will top longevity charts in 2030 Ssukgat or Chrysanthemum greens are treasured in Korean culture for their healing abilities You can coax its withered stalks to bloom again with sun water soil and care It s a fitting metaphor for eco entrepreneur and CEO Michelle Jungmin Bang who found herself in excruciating pain due to the constant sacrificing of her health and wellness for work a trade many of us make daily

Thus started her fascinating journey to overhaul her health and reconnect with her heritage in South Korea She found answers in the mountains with Buddhist nuns and the keys to microbiome health a seaside village with haenyeo female free divers who forage for seafood and their practice of healing with breath centenarians with easily adoptable daily habits and Korean bathhouse culture and its wellness for everyone approach to youthful skin Natural effective and environmentally conscious these traditions have been passed down for centuries in Asia like gifted heirlooms and they quietly and radically shift our philosophies on well being towards preventative care Informed by her travels research and East West nutrition training Michelle reflects on how we can eat for healing live sustainably reconnect with nature form deeper relationships with the Korean concept of Jeong the warm invisible connection between loved ones and places and more Also included are simple and delicious healing recipes that can be used for recovery like a mushroom broth the Buddhist nuns turn to for colds her grandmother s secret Myeolchi anchovy broth Samgyetang chicken and ginseng soup for combatting fatigue as well as Hoedeopbap raw fish bibimbap her most requested dish that requires no cooking Stunningly written and accompanied by Michelle s gorgeously hand drawn illustrations and infographics Sun Ssukgat is on a mission to empower anyone stuck in the unhealthy whirlwind of modern life to transform our well being in the little things we do every single day This beautifully designed book is perfect for Fans of Korean and Asian food and culture Gifting to friends and family Food as medicine enthusiasts seeking natural ways to improve their health Travel aficionados and environmentally conscious readers Professionals and students looking to boost performance and wellness

Book Wars John B. Thompson, 2021-03-04 This book tells the story of the turbulent decades when the book publishing industry collided with the great technological revolution of our time From the surge of ebooks to the self publishing explosion and the growing popularity of audiobooks Book Wars provides a comprehensive and fine grained account of technological disruption in one of our most important and successful creative industries Like other sectors publishing has been thrown into disarray by the digital revolution The foundation on which this industry had been based for 500 years the packaging and sale of words and images in the form of printed books was called into question by a technological revolution that enabled symbolic content to be stored manipulated and transmitted quickly and cheaply Publishers and retailers found themselves facing a proliferation of new players who were offering new products and services and challenging some of their most deeply held principles and beliefs The old industry was suddenly thrust into the limelight as bitter conflicts erupted between publishers and new entrants including powerful new tech giants who saw the world in very different ways The book wars had begun While ebooks were at the heart of many of these conflicts Thompson argues that the most fundamental consequences lie elsewhere The print on paper book has proven to be a remarkably resilient cultural form but the digital revolution has transformed the industry in other ways spawning new players which now wield unprecedented power and giving rise to an array of new publishing forms Most important of all it has transformed the broader information and communication environment creating new challenges and

new opportunities for publishers as they seek to redefine their role in the digital age This unrivalled account of the book publishing industry as it faces its greatest challenge since Gutenberg will be essential reading for anyone interested in books and their future
