The Kitten's Garden of Verses Oliver Herford, 1911

The Kitten's Cooler Judy Richter, 2018-04-13 Back in the day my sister's name Carol Hofmann Thompson was a household word in the horse show world here and abroad I have been blessed with many good memories of her and others who have brightened my life To call this collection a memoir feels a bit too formal and pretentious so I prefer to say these are a gathering of good old memories of people and events in my life from the fifties to the present day There was no better decade than the 1950s to grow up in The war was over we won and Eisenhower was our president No more noble and able a man existed except possibly Churchill but he was British and even then old It was a safe world we never went to bed wondering if we'd wake up to World War III Our parents never worried about where we were if they even wondered They knew we'd be home at dark for dinner How different from today What is most heartening about recollecting these stories old and new is that life does indeed go on and for us horse people it is the horses who carry us forward
