Too Long A Sacrifice:

Our Secret Discipline Helen Vendler, 2007-11-29 The fundamental difference between rhetoric and poetry according to Yeats is that rhetoric is the expression of ones quarrels with others while poetry is the expression of ones quarrel with oneself Through exquisite attention to outer and inner forms Vendler explores the most inventive reaches of the poets mind

Mentel,2024-02-01 The hunger strike of 1981 is regarded as one of the most tragic events in Irish history Ten men died over a period of 217 days in the H Blocks of Long Kesh Maze prison while exercising the most extreme form of civil disobedience available to them The Troubles that gave rise to the hunger strike had roots in the centuries of socio economic subjugation and religious persecution in Ireland In 1971 the British government began internment without trial for persons suspected of belonging to paramilitary organizations Eventually the British government granted Special Category Status to these prisoners before later stripping it from the prisons by 1976 leading to a five year prisoner protest that culminated in the 1981 hunger strike This book critically examines declassified British government documents that detail how the government s policies led to the 1981 hunger strike how Margaret Thatcher exacerbated the strike by refusing steps to end it and how the hunger strike eventually led to peace in the north Analysis also illustrates how the 1981 hunger strike and the ten men who died on it forced a revolutionary change in the political and governmental structure of the north and paved a road to peace that concluded with the signing of the 1998 Good Friday Agreement **Political Violence and Terror** Peter H.

Newell,2011-01-18 Because of the triumph of postmodern studies explication of classic poems by great dead white male English poets of preceding centuries has greatly declined in the last several decades even though many of the poems may still be puzzling to interested readers young and old This book is addressed to both audiences in the hope that new explications of twelve classic poems or sections of these poems by Blake Wordsworth Coleridge Keats Shelley Tennyson Browning Arnold Hardy Yeats and Auden may help sustain interest in the poems Although the explication procedure is now unpopular in theory and held to be as subjective as interpretation the procedure is based on the experience that if a puzzling poem is reasoned with it can often be found to make sense on a basic level of understanding a sense perhaps complex ambiguous or ambivalent but not self contradictory In essence then this is a book of poetry explications having esthetic aims but written in an era of unesthetic political and cultural studies The term conservative in the title refers to explicatory rather than political conservatism as well as to critical and literary conservation i e to conserving the practice of explication whether upon literary works old or new and so also conserving esthetic interest in the old works themselves The book also attempts to show that new conservative explications

are still possible and can be still useful even in the postmodern era and even on classic poems already much explicated and that therefore explication still has much to do in the work of literary studies in the postmodern era *Yeats's Legacies* Warwick Gould, 2018-03-22 The two great Yeats Family Sales of 2017 and the legacy of the Yeats family's 80 year tradition of generosity to Ireland's great cultural institutions provide the kaleidoscope through which these advanced research essays find their theme Hannah Sullivan's brilliant history of Yeats's versecraft challenges Poundian definitions of Modernism Denis Donoghue offers unique family memories of 1916 whilst tracing the political significance of the Easter Rising Anita Feldman addresses Yeats's responses to the Rising's appropriation of his symbols and myths the daring artistry of his ritual drama developed from his poetry of personal utterance and his vision of art as a body reborn rather than a treasure preserved amid the testing of the illusions that hold civilizations together in ensuing wars Warwick Gould looks at Yeats as founding Senator in the new Free State and his valiant struggle against the literary censorship law of 1929 with its present day legacy of Irish anti blasphemy law still presenting a constitutional challenge Drawing on Gregory Estate documents James Pethica looks at the evictions which preceded Yeats's purchase of Thoor Ballylee in Galway Lauren Arrington looks back at Yeats Ezra Pound and the Ghosts of The Winding Stair 1929 in Rapallo Having co edited both versions of *A Vision* Catherine Paul offers some profound reflections on Yeats and Belief Grevel Lindop provides a pioneering view of Yeats's impact on English mystical verse and on Charles Williams who while at Oxford University Press helped publish the Oxford Book of Modern Verse Stanley van der Ziel looks at the presence of Shakespeare in Yeats's Purgatory William H O'Donnell examines the vexed textual legacy of his late work *On the Boiler* while Gould considers the challenge Yeats's intentionalism posed for once fashionable post structuralist editorial theory John Kelly recovers a startling autobiographical short story by Maud Gonne While nine works of current biographical textual and literary scholarship are reviewed Maud Gonne is the focus of debate for two reviewers as are Eva Gore Booth Constance and Casimir Markievicz Rudyard Kipling David Jones T S Eliot and his presence on the radio *Too Long a Sacrifice* Yvonne Whittal, 1988 **A Queen Among Queens** Cameron Joseph F.S.
