When Tomorrow Comes:

When Tomorrow Comes Tony Gagliardi, 2025-12-22 The journey chose them long before they chose each other When five kids discover mysterious relics during a treasure hunt at a tropical resort they think it's all pretend But some treasures choose their finder and some adventures choose you What begins as a sailing adventure aboard the Tomorrow becomes something far stranger when an impossible storm carries them beyond any map Lost on an island caught between worlds where stars form unfamiliar patterns and ancient guardians wait this unlikely crew discovers they've been chosen for something extraordinary Guided by a silver fox made of starlight and armed with relics that pulse with forgotten power they uncover a deeper truth the universe bears scars from a cosmic battle between harmony and discord And they may be the only ones who can help restore what was broken A hope centered journey where magic flows through friendship harmony triumphs over discord and ordinary people discover their extraordinary purpose among the stars Recommended for readers ages 8-12 this middle grade fantasy adventure blends action mystery and cosmic discovery ideal for independent readers and shared family read alouds

WHEN TOMORROW BREAKS Dr. Mishael Carson, 2025-12-06 This is a story where hope is choice not promise Where faith is action not belief Where tomorrow comes because we build it not because we deserve it So why read this book Why spend time with loss and complexity and uncertainty Because this is the story of what humans actually do when everything breaks Not what we wish we'd do Not what heroes in movies do Not what doctrine says we should do What we actually do We catastrophize and plan anyway We doubt and lead anyway We grieve and teach anyway We're terrified and love anyway We don't know if it'll work and we build anyway We become Tomorrow not because we're special Because we're stubborn Because we refuse to die alone Because we choose each other even when especially when it costs everything Because we learn that death transforms into teaching when we honor sacrifice Because winter transforms into spring when we plant seeds Because catastrophe transforms into civilization when we choose cooperation over isolation Because forty-three elders taught us that immortality is real not through heaven but through teaching Not through supernatural but through human Not through faith alone but through action Because democracy works not perfectly but functionally Not easily but sustainably Not automatically but deliberately Because love survives not unchanged but transformed Not protected but risked Not guaranteed but chosen Because tomorrow comes not given but built Not certain but possible Not promised but created Because we are Tomorrow Not by accident By choice Not by certainty By trust Not by divine intervention By human stubbornness Not alone Together Not once Forever This book is dedicated to everyone who chooses stubbornly Who plants seeds in frozen ground Who teaches knowing they won't see harvest Who loves knowing loss follows Who builds knowing collapse threatens Who hopes knowing disappointment looms Who chooses knowing every option is hard Who becomes Tomorrow not because it's easy but because giving up kills everyone This book is for you This book is about you This book is you Welcome to Tomorrow Welcome to what happens when tomorrow breaks Welcome to what

humans become when we refuse to break with it Turn the page Day One awaits And after Day One comes Day Two And after winter comes spring And after catastrophe comes civilization And after breaking comes building And after death comes teaching And after loss comes love And after yesterday comes tomorrow Always Forever Because we plant it Because we choose it Because we become it We are Tomorrow Now let me show you how we built it One day at a time One choice at a time One person choosing another Until tomorrow broke And we rebuilt it Together Let s begin Poems Jesse Carreon,2015-12-28 Over the last forty six years author Jesse Carreon has recorded his thoughts and the events of his life in verse After observing daily life a smile a view or an action for example he allowed the ideas to incubate as long as they needed until poetry emerged In this new collection he has gathered all the work of his life in order to share it with the world
