Science and the Bible (Scripture in Context) David Instone-Brewer, 2020-09-23 Science and the Bible are often pitted against each other causing

many to either defend science at Scripture's expense or vice versa. Instead, what if we saw science and the Bible as friends? Can Christians appreciate scientific insights like they do archaeological discoveries as a source of knowledge to illuminate the biblical world and our own? In *Science and the Bible*, David Instone Brewer takes a refreshing and non-antagonistic approach, asking how science can aid our interpretation of the Bible. The result is stimulating for a wide range of topics such as God's omnipresence, the origin of languages, the nature of eternity, the relationship of spirit and soul, the reality of resurrection, and Jesus' human experience.
