The Destiny of the Soul William Rounseville Alger, 1878

The Future of Urban Employment International Labour Office, 1998 This book presents the immense problems and the enormity of the tasks confronting those who lead the world's large cities whether in the developing transitional or industrialized worlds This book focuses on urban employment and on what cities can do to create jobs at the local level The underlying thesis is that creating and protecting employment can be the determining factor in easing if not resolving the multidimensional crisis faced by many cities worldwide

Mobilize Shyam Sankar, Madeline Hart, 2026-03-17 Featured in The Times From the CTO of Palantir comes a bold call to arms for resurrecting America's industrial base and winning the defense technology race that

will define the twenty first century America is in an undeclared state of emergency Not since the Cold War has the US faced such powerful enemies and our military isn t ready Shyam Sankar Chief Technology Officer of Palantir issues an urgent call to action Mobilize The American industrial base once underwrote American victory Builders and workers rallied to win World War II For most of the twentieth century great American companies from General Mills to Chrysler had defense businesses that sent mankind into space and won the Cold War But the forges fell silent and the furnaces went dark America s innovators and warfighters were ripped apart Now China not America leads the world in manufacturing America is the underdog The good news is we ve been here before Mobilize tells the remarkable true stories of the Americans who moved heaven and earth to produce for our troops and help our country win the twentieth century And it exposes the shocking blunders that broke the Pentagon and weakened our military There s a war for America s future stymied between the forces of complacency and change If we empower exceptional individuals and harness the power of capitalism and competition America can unleash the brains and brawn we need to resurrect our industrial base stop World War III and help our country build and win
