**Haunted Heart** Lisa Rogak,2010-01-05 A thoroughly respectful overview of King s life and a great starter biography for new fans The Boston Globe One of the most prolific and popular authors in the world today Stephen King has become part of pop culture history But who is the man behind those tales of horror grief and the supernatural Where do these ideas come from And what drives him to keep writing at a breakneck pace after a thirty year career In this unauthorized biography Lisa Rogak reveals the troubled background and lifelong fears that inspire one of twentieth century s most influential authors King s impoverished childhood in rural Maine and early marriage hardly spelled out the likelihood of a blossoming literary career But his unflagging work ethic and a ceaseless flow of ideas put him on the path to success The side effects of sudden stardom and seemingly unlimited wealth soon threatened to destroy his work and worse his life But he survived and has since continued to write at a level of originality few authors could ever hope to match Despite his dark and disturbing work Stephen King has become revered by critics and his countless fans as an all American voice more akin to Mark Twain than H P Lovecraft Haunted Heart chronicles his story revealing the character of a man who has created some of the most memorable and frightening stories found in literature today Rogak looks at what scares King enough that he s been able to keep readers entertained for thirty years Bangor Daily News Rogak has pieced together King s sometimes erratic life scrupulously into a clean swift read Times Online U K

The American City, 1911 Inspector Sejer Series Karin Fossum, 2015-12-01 No one can thoroughly chill the blood the way Karin Fossum can Los Angeles Times Critically acclaimed across Europe Karin Fossum's *Inspector Sejer* novels are masterfully constructed psychologically convincing and compulsively readable They evoke a world that is at once profoundly disturbing and terrifyingly familiar The inaugural *Inspector Sejer* novels have been conveniently packaged together for your very own chilling reading experience *EVA S EYE* When the body of a man floats to the surface of a river *Inspector Sejer* is called in *Sejer* and his team determine that the man Egil died in a violent attack But Egil has been missing for months and the trail to his killer has gone cold It's as puzzling as another unsolved case on *Sejer*'s desk the murder of a prostitute who was found dead just three days before Egil went missing *Sejer* sets to work piecing together the fragments of these two impossible cases soon enough he realizes that they might not be as separate as they had seemed *DON T LOOK BACK* At the foot of the imposing Kollen Mountain lies a small idyllic village where neighbors know neighbors and children play happily in the streets But when the body of a teenage girl is found by the lake at the mountaintop the town's tranquility is shattered forever Annie was strong intelligent and loved by everyone What went so terribly wrong Doggedly yet subtly *Inspector Sejer* uncovers layer upon layer of distrust and lies beneath the town's seemingly perfect facade *HE WHO FEARS THE WOLF* *Inspector Sejer* is hard at work again investigating the murder of a woman who lived alone

in the middle of the woods The chief suspect is another loner a schizophrenic recently escaped from a mental institution The only witness is a twelve year old boy overweight obsessed with archery and a resident at a home for delinquents Shrewdly patiently as is his way Sejer confronts a case where the strangeness of the crime is matched only by the strangeness of the criminals and where small town prejudices warp every piece of information he tries to collect In spare incisive prose Fossum turns a conventional police procedural into a sensitive examination of troubled minds and a disturbing look at the way society views them A superb writer of psychological suspense New York Times *Sessional Papers* Great Britain.
