W. Tozer Leonard Ravenhill and countless others who share one common bond an insatiable hunger to know their Lord These are people whose relentless passionate pursuit of Christ often made them appear foolish in the eyes of others Yet having tasted His goodness and glimpsed the invisible they could be satisfied with nothing less Add your name to the list become a God chaser Who know You might be one whom He catches [The Heart of a God Chaser](#) Tommy Tenney, 2000 This book will shake the complacent into awareness and motivate those who are already God chasers to keep pressing on

How to Pray with Passion and Power Tommy Tenney, 2010-10 Tommy Tenney has a unique gift for leading people into the presence of God In *How to Pray with Passion and Power* Tenney dives deep into the riches of intimate and rewarding conversation and interaction with the Almighty This gathering of biblical historical and contemporary prayers inspires and leads the reader into life changing and purposeful communication with God [The God Chasers](#) Nehemiah Wong, 2020-11-12 This book contains the rather odd if not quizzical title *The God Chasers* St Augustine once articulated that the act of pursuing God and finding Him is the greatest adventure in this life He further said that the ardor behind this pursuit is the greatest romance possible to human beings It would indeed be profligate of us not to investigate such a supreme possibility and to experience the blessedness for ourselves This book will show with examples what and how to be a great God Chaser for God seeks such to worship Him The word seek has the idea of someone craning his neck in search for his beloved object The Bible tells us that a man in mid life decided one day to be a God Chaser he turned from his ordinary life and started walking with God His name was Enoch and God took him back to heaven out of an unwillingness to separate from him one day On that day daylight was thinning darkness thickening And it was just the proper thing friends would do for

one another Is there a greater rapture or achievement *The God Chasers Code* Nehemiah Wong,2021-06-17 ABOUT THE BOOK This book is an exposition of an important theme in Deeper Christian Life All mature and developing Christians can read this book or must read this book with great benefit To be a God Chaser is to live life at the most vital epicenter The thesis of the book is located in or identified clearly with a divinely given artifact A divine royal insignia Twelve transformative truths resonate from this artifact If you love God more than life itself then you are already a God Chaser The book will help you explore ways to maintain and increase your love for God at a boiling point Something so salient as the love for God will wax cold sadly and tragically in these last days **Young God Chasers** Dian Layton,2000-09 Children s teachers will find key principles from Tommy Tenney s bestselling book *The God Chasers* presented in a unique blend of fun and powerful lessons for children ages 5 11 Christianity *Trust and Tragedy* Tommy Tenney,2001-12-09 With articulate words Tommy Tenney helps lead us past tragedy to that place of trust After reading this book you will know what to do and know what to say Most people including Christians avoid brokenness and personal failure at all costs They will deny the truth to avoid pain Yet tragedy visits every generation hardship touches every life The only question then is how will we respond God promises to be near the brokenhearted As Tenney puts it God is waiting to meet us on our way home from the funeral The One who said Blessed are those who mourn for they shall be comforted fully intends to comfort us personally if we make the effort to detour from our road of grief to search for Him Many believers first turned to God in the moment of crisis *Trust and Tragedy* shows them how to find Him there again For whenever there is earthly brokenness there is always heavenly openness

Finding Favor With the King Tommy Tenney,2004-12-01 Tenney takes readers to Esther s pre Islamic Persia to uncover the secrets that helped her win the heart and gain the ear of the king and save her people from destruction A Jewish girl of no royal heritage was chosen to become the Queen of Persia Was it her beauty alone or did she know an important and mysterious truth Tenney challenges his readers to move beyond formal petitions or even storming the gates of heaven to that intimate embrace of worship where the bride s petitions move the King s heart and where kingdoms people and situations begin to shift like pawns on a divine chessboard [The Road Home](#) Tommy Tenney,Mark Andrew Olsen,2008-10-01 For Las Vegas widow Naomi memories of a Pennsylvania Dutch childhood are an ache from the distant past a painful memory of abandoned roots and lost connections She has long since reconciled herself to the shattered dreams that had enticed her from her heritage and now simply lives in a tiny apartment thick with loneliness and regret Her sole consolation is her daughter in law Ruth But when hard living claims both of her boys the two women turn Naomi s creaky Impala eastward in a desperate last chance bid for hope and meaning Thus begins a cross country odyssey that brings her home to her old farm in Lancaster County and to the values and rhythms of a life once spurned Although the East is foreign territory Ruth also finds a home here among the slow and authentic cadences of Pennsylvania farm country And she finds love **God Chasers for Teens** Tommy Tenney,2002 Geared to teens and young adults this book charts a path for readers who want to know and
