To The Cross:

The Persecuted Human Brains in the Way to the Cross Ramsis F. Ghaly MD FACS, 2016-12-09 As wars continue persecution against Christianity is considered the highest among all religions The author explores deep within the oppressed brains Many people wonder what goes on inside the human brain during times of discrimination and injustice In silence the human brain carries the burden of misery Our earthly journey is endowed with obstacles and suffering that ultimately leads down the way to the cross The daily news of bloodshed is overwhelming and human trafficking is on the rise It is the time to reconcile to prepare for the ascent of the human soul to its Creator at the moment of departure The book takes the reader from the time of Adam and Eve and Jesus Christ on the cross to our current time of persecution going through the pilgrimage to the cross The book acknowledges the present challenges facing Christians and explores the battles of good versus evil in the times of antichrist It connects the human brain to its soul as it relates to the eternal spirit in eight sections and thirty five chapters The reader will experience the path to the cross through the depiction of sorrows sadness losses and turmoil but also of strength courage and hope The audience will relay the invisible spiritual facts beyond the obvious on the way to the cross in times of weeping praying singing and times of thanksgiving [Journey to the Cross](#) Will Walker, Kendal Haug, 2017-01-16 Don't just give up something for Lent Move closer to the heart of Easter through forty days of Bible readings prayers of confession and thanksgiving and devotional readings focused on Lenten themes of repentance humility suffering lament sacrifice and death This compact daily devotional will prepare your heart and rekindle your love [On The Road to the Cross](#) Rob Burkhart, 2016-12-20 The Easter drama plays out on history's stage with magnificent and larger than life characters Yet some of the most important lessons of Easter come from those whose names you may not recognize Simon the Leper Malchus the Centurion at the cross Cleopas Nicodemus and Joseph of Arimathea Barabbas Simon of Cyrene and Mary Magdalene offer a unique perspective on one of the greatest events in human history And yet their stories are often overlooked On the Road to the Cross allows you to experience Easter through the eyes of the everyday people who witnessed the triumphal entry saw Jesus drag his cross to Calvary and cried through Christ's last words Each new perspective opens the door to a fresh consideration of Easter and its impact on their lives and ours [Jesus' Journey to the Cross](#) William Powell Tuck, 2021-09-16 Discussions of Jesus words and actions as he went to the cross are fairly common What about the other players How do their reactions connect to the critical final action of Jesus Dr William Powell Tuck who has previously written about the centrality of the cross in Christian faith [The Church Under the Cross](#) and the last words of Jesus [The Last Words from the Cross](#) takes a look at the reaction of others who were involved leading up to the final cry of Jesus It is finished In doing so Dr Tuck leads us to questions of how we respond to Jesus personally and especially to the meaning of this central event of Christianity It is easy for us to think about the resurrection and to speak of the joy strength and triumph that it portrays But we lose the depth and breadth of the resurrection when we fail to look at these scenes from the journey Jesus

took to the cross itself Our response to strength glory and triumph is less a demonstration of who we are than our response to trials and apparent tragedy In this book you will learn to look at different perspectives on that difficult time as people react to events they do not understand How can we learn to respond better to the situations that our lives present to us This book is suitable for individual reading and would also make an excellent study for a small group While it would be particularly valuable as a Lenten study mediation on the cross is valuable at any time of the year *Child's Guide to the Stations of the Cross* Sue Stanton,2008 Age appropriate illustrations accompany text and a song that depict the events prior to and just following Jesus death *The Foot of the Cross, Or, The Sorrows of Mary* Frederick William Faber,1886
