Tobit Transplanted Stella Benson,1974 Interwar Women's Comic Fiction Nicola Darwood,Nick Turner,2020-01-10
This collection of essays examines the work of five intermodernist writers Some were established authors before the First World War and others continued to write after the Second World War but this book focuses particularly on their writing between 1918 and 1939 Elizabeth von Arnim Stella Benson Bradda Field Ivy Compton Burnett Stella Gibbons and Winifred Watson had much in common they all wrote novels full of comic moments which often challenged the cultural politics of the interwar period Drawing on the literary and critical contexts of each novel the essays here discuss the use of comic structures that enabled the authors to critique the dominant patriarchal structures of their time and offer an alternative sometimes subversive view of the world in which their characters reside This book contributes to the growing scholarly interest in interwar fiction focusing principally on novelists who have fallen out of public view It widens our understanding both of the authors and of the continuing highly topical debate about interwar women novelists *The Book of the Words of Tobit* ,1927 **Korean Culture** ,1985 Transactions of the Korea Branch of the Royal Asiatic Society ,1925 List of members in v 1 3 6 50 constitution and by laws in v 1 10 **The Listener** ,1931 Desiderata ,1929 **The Publishers' Circular and Booksellers' Record** ,1931 **Time and Tide.
