

Work And Organizations

Hiram Worcester Slack

Work And Organizations:

Work and Organizations in Israel Yitzhak Samuel, Itzhak Harpaz, 2004 Since the State of Israel was established its labor force has grown rapidly and has become increasingly diverse in terms of its demographic cultural ethnic and socioeconomic characteristics Israeli work values have shifted towards greater individualism materialism careerism and preference for white collar and knowledge based occupations is evident A major structural change is underway as indicated by the decline of agriculture as a component in the Israeli economy and the growth of the industrial sector mostly towards high technology and innovative enterprises This volume sheds light on trends and developments that have been taking place in the realm of work in Israel in recent years It contains a unique selection of articles presenting empirical evidence of the major features and important changes characterizing work organizations and the regime of work in Israeli society labor relations work values power and management in organizations work in the Kibbutz inter organizational relations women and work migrants and minorities in the Israeli labor force Studies show that another two major trends characterize the contemporary economy and the labor market the trend toward privatization and globalization the results of which are a continuous decrease of job security and an increasing level of unemployed Israeli men and women that are replaced by the low cost labor of foreign workers emigrating from third world countries This timely volume is valuable for its contribution to illuminating the recent changes taking place in the realm of work in Israel and will be of interest to sociologists social scientists and students of Judaica

Work and Organizational Behaviour John Bratton, 2020-11-18 Critical and accessible the new edition of this bestselling textbook offers valuable insight into contemporary management practices and encourages readers to reflect on the realities of the workplace Work and Organizational Behaviour takes a unique and well rounded approach exploring key theories and topics through the lenses of sociology psychology ethics and sustainability Firmly embedded in the latest research and the wider geopolitical environment this new edition places OB in the context of climate change the rise of unstable working conditions and the impact of new technologies A strong suite of pedagogy supports student learning demonstrating key theories in action and preparing readers for the real world of work Cases and features illustrate contemporary organizational practices and their impact across the world in a range of industries With streamlined content an improved structure and an enhanced focus on leadership Work and Organizational Behaviour is an essential companion for OB modules at undergraduate postgraduate and MBA levels New to this Edition New chapters on Work and the gig economy and Human resource management New decision making scenarios helping readers to develop practical leadership skills 200 new references to recent academic literature Inclusion of important contemporary topics including Covid 19 and the gig economy Coverage of new technologies including the impact of AI robots remote working and big data Increased coverage of corporate social responsibility and ethics New end of chapter cases Reality of Work features and Globalization and Organization Behaviour features Accompanying online resources for this title can be found at
