### Workplace Wellness Programs

This document explores the advantages and disadvantages of workplace wellness programs for multi-million-dollar companies to help them decide about multiple implements in their workforce. They have many advantages and disadvantages, which involve many obstacles. Healthy eating and lifestyle habits are essential to getting back healthy and fit. Mental health is also a significant advantage of this program. It's a huge deal today. Low morale is a disadvantage that plays a vital role in these programs dealing with attendance and expenses. Cost and Participation are disadvantages when employees are not using the program, and the company loses money. Workplace wellness programs have essential advantages/disadvantages, including healthy eating and lifestyle habits, mental health, low morale, and cost and Participation.

#### Healthy Eating & Lifestyle Habits

Workplace wellness programs are healthy eating and lifestyle habits. Organizations can promote physical wellness by encouraging regular physical activity through fitness classes and gyms, like yoga classes or a company gym. They can help individuals become more energetic, upbeat, confident, and productive in the workplace. This program will help lower healthcare costs since the programs can educate the workplace on healthier lifestyles and prevent many hospital and doctor visits. It can also enhance retention because workers receive multiple outlets for their needed programs and are likelier not to leave their company. Employees are more likely not to miss any days at work due to better health, which alone reduces absenteeism.

#### Mental Health

Programs can improve mental health with counseling and stress management workshops like mindfulness or therapy sessions. This program will provide different open outlets for employees to help them out within the program with today's problems and societies. Mental health can also affect your sleep by providing tools to enhance sleep quality, such as sleep hygiene workshops or relaxation techniques. Employee assistance programs offer access to confidential information, including counseling, meditation sessions, stress management workshops, encouraging work arrangements to help manage stress, downloading mental health apps and/or online resources, and providing an open, safe space for conversations about mental health.
