Ralph Osborne

Someplace Else:

Local News from Someplace Else Marjorie Maddox, 2013-06-18 We don't define home the same way anymore. School shootings and natural disasters populate the headlines. Tragedy and disease infiltrate our neighborhoods. We not only must survive in an unsafe world but also persevere in it. By confronting fear and embracing family, Local News from Someplace Else rediscovers both grace and joy.

From Someplace Else Ralph Osborne, 2003-05-09 The decade between 1961 and 1971 was a time of tumult of innocence lost, gained and lost again. During those years, Ralph Osborne moved from the confusions of being 17 to briefly believing that at 27 he knew everything. It is, he says, my version of the Divine Comedy, more comedic than divine. *From Someplace Else* is an often hilarious, occasionally tragic account of the exploration of boundaries, inner and outer, through a time of free love and psychedelic adventure. And because the paths between Heaven and Hell, good and bad, and up and down are not linear, this book is necessarily an account of one man's first trip around the circle. Osborne's Holy Grail is identity. His quest, in which he sets out to learn a small piece of the puzzle, one little thing I could know for certain, takes him from a working class tenement on the east coast through the privileged confines of Westmount, west to the cleansing air of the prairies, and east again to the stoned-out beginnings of Toronto, the hip where he becomes general manager of the infamous Rochdale College. *From Someplace Else* is a journey driven by the ever-relevant question: to be or to become. It is also the slightly surreal description of the thin line between simplicity and squalor.

I'll Samba Someplace Else Andrew G. Britt, 2026-02-13 Mapping the interwoven histories of three of São Paulo's most prominent ethnorracialized neighborhoods, *I'll Samba Someplace Else* charts how spatial projects sustain popular ideologies of post-racialism despite enduringly high levels of racialized inequity in Brazil and beyond.

After Death Sukie Miller, 1998 The first cross-cultural investigation of how humanity copes with the reality of death, this new understanding of the afterdeath is much the same way the work of Elisabeth Kubler-Ross does for the dying process. Using extensive and innovative research, anecdotes, and stories, Sukie Miller has woven together the results of groundbreaking studies of attitudes world-wide toward the afterdeath. Identifying four distinct stages of the afterdeath: Waiting, Judgment, Possibilities, and Return, she clarifies and analyzes the results of her work in India, Brazil, Indonesia, West Africa, and the United States.

"They All Came from Someplace Else" Melanie Rebecca Shell-Weiss, 2002

Everywhere is Someplace Else Susan Bright, 1998 This is the product of a publishing colony in which a group of eleven national writers created a book at a week-long retreat held on the Texas Gulf Coast. It is a gathering of poetry about issues: justice, environment, spirit, creativity, and community. Contributors include Susan Bright, Bonnie Buhler Smith, Valerie Bridgeman, Davis Bradley Earle, Hoge Frances Downing, Hunter Margo LaGattuta, Polly Opsahl, Christine Valentine Reising, Karen Chorkey Renaud, Kalamu ya Salaam, and Gail Teachworth. Everywhere we go in the world, we bring ourselves and our histories. We are both exhilarated and cautioned by differences we see in climates, customs, ideologies, and people, and we build walls of protection to keep us safe in our hermetic hometowns. Yet as writers and readers, we can see beyond those

walls Through the lenses of metaphor and image focus and association we can see the inner connections between people infrastructures of common experience that go beyond first appearances The world becomes smaller and less intimidating when we name our truths and discover that our neighbors share them Through collaboration we create new pathways of understanding Everywhere is Someplace Else is a powerful collection that examines Spirit Earth Justice The Other Community Work Creatures Time Death Love and Creativity through the eyes of eleven poets and storytellers who gathered to collaborate and create a stunning celebration of life and the creative process The book was assembled in a week of intensive collaboration which influenced everyone s vision In this process of creating we found that community sustains us Our best art comes from healing its pain Our readers are an extended community of people all over the world who work every day to change ideas and institutions that are destroying the planet This anthology is the product of all we know about the soul of the writer how it grows from community and gives back to it how a circle of voices is often the truth of the poem how meaning is created because we need it

There Is No Somewhere Else Francis Pring-Mill, 2024-07-16 In *There Is No Somewhere Else* Insights from the Tao Te Ching Francis Pring Mill takes us on a journey up the same mountain from which Lao Tzu pointed out amazing views in his Tao Te Ching Written over twenty five hundred years ago the Tao Te Ching shows us how to live a meaningful life in harmony with the world around us Its timeless wisdom still resonates with people everywhere as though it had been written yesterday As we live our lives why is it that some of our actions tend to create confusion and stress Why do other actions seem to flow effortlessly and add to the harmony around us Could the answer depend simply on where we re coming from Is this the difference between being centered in ourselves and in our own thoughts and desires and being centered in the Tao There Is No Somewhere Else will appeal to anyone curious about answers to questions like these Author of *In Harmony with the Tao A Guided Journey into the Tao Te Ching* Francis Pring Mill reveals a new path up the mountain by exploring between the lines of a series of contemporary observations about life The chapters in *There Is No Somewhere Else* are short easy to read and the style is conversational Francis Pring Mill draws again on the wisdom of the Tao Te Ching and succeeds in bringing its messages down to earth where they can make a practical positive difference in how we live our lives today If the Tao is the only eternal reality this book suggests we lose the harmony the moment we try to live somewhere else
